The contents of this Teacher Guide are the sole responsibility of FHI 360 and do not necessarily reflect the views of USAID or the United States Government."

Foreword

The Ministry of Education/Ghana Education Service (MOE/GES) would like to thank the United States Agency for International Development (USAID) Partnership for Education: *Learning* for helping the Government of Ghana to improve the quality of early grade reading instruction in public basic schools. *Learning* supports the MOE/GES to improve learning outcomes in reading for pupils in KG2, B1, and B2 through a systematic phonics-based approach. This is achieved by developing and training teachers in the use of teaching and learning materials for reading instruction in 11 Ghanaian languages (GL) and oral English.

The reading program supported by *Learning* focuses on the teaching of the six most important components of reading instruction: phonological awareness, phonics (letter-sounds), fluency, vocabulary, comprehension and writing. The reading program is framed in the “simple view of reading,” which teaches pupils the skills needed to decode and to comprehend written words in order to become independent readers.

The reading program includes daily lessons with step-by-step instructions in a Teacher Guide, accompanied by a Pupil Reader for each pupil in the classroom, which contains exercises, pictures and texts that support the lessons. The Teacher Guide and associated teacher trainings conducted by *Learning* and GES, provide guidance on how to use the Pupil Reader and other learning materials to deliver engaging and effective reading lessons. The lessons are designed to be taught in 30 minutes each day, from Monday to Friday.

The Dagbani Prototype

The reading program has been prototyped in the Dagbani language as a precursor to the larger reading program in all 11 Ghanaian languages. The Teacher Guide and the Pupil Book developed for the Dagbani Prototype for B1, Terms 1 & 2 were piloted from January – July 2017 in 20 schools in the Yendi Municipal. Teachers, Headteachers, Curriculum Leads, Circuit Supervisors and Language Specialists from the Yendi Municipal were trained to strengthen their various roles to improve reading performance. This included trainings in reading pedagogy, classroom management, pupil assessment, and monitoring and supervision. *Learning* conducted base-line and mid-line assessment to track progress; and an end-line assessment will be conducted to find out how well the prototype has impacted the reading performance of the pupils. The mid-line results indicate that pupils who could read a syllable in Dagbani increased by 31% and pupils who could read a word in a decodable text increased by 26% after 8 weeks of prototype lessons.

We would like to particularly thank the Northern Regional Director of Education, the Municipal Director of Education and staff, teachers and pupils of the Yendi Municipal Assembly who have worked hard to ensure that the prototype reading program is successful.

Scale-up to the 11 Ghanaian Languages of Instruction

The prototype program was tested and refined; and the lessons learned during prototyping were fed directly into the development of teaching and learning materials for all 11 Ghanaian languages of instruction and English, and the scale-up to over 7,200 schools in 100 targeted districts. In preparation for the nationwide implementation, *Learning* has developed the Teacher Guide for KG2 and a Teacher Guide and Pupil Book for B1 for the 2017-2018 school year. B2 materials have been developed for the 2018 – 2019 school year.

We would like to thank the MOE/GES and national and regional language and pedagogical experts who served as validators to ensure the materials are of high quality and have met the standards set by GES for teaching and learning materials for early grade pupils in Ghana. We appreciate the input and guidance provided by the following persons of the MOE/GES: Mrs. Cynthia Bosumtwi-Sam, the Acting Executive Secretary, National Inspectorate Board; Mrs. Felicia Boakye-Yiadom, Acting Executive Secretary, National Council for Curriculum and Assessment; and Dr. Evelyn Oduro, the Acting Executive Secretary, National Teaching Council.

Finally, we thank the *Learning* staff, consultants from FHI360 and Summer Institute of Linguistics (SIL) Africa, as well as Ghana Institute of Linguistics, Literacy and Bible Translation (GILLBT) staff for their expertise in the development and the production of these materials that meet high Ghanaian and international teaching and learning standards. These materials and the trainings in their use will go a long way to support Ghana's goal of improving reading performance and pedagogical excellence in early grade reading in Ghana.

Introduction

The *Learning* Teacher Guides are part of the *Learning* Early Grade Reading Program, a complete reading program for Ghanaian pupils in the early grades. This *Learning* Teacher Guide are designed to be used with *Learning* Pupil Books, as well as NALAP Big Books and additional teaching and learning support materials. The Guide consists of daily lesson plans with step-by-step instructions on how to deliver the lessons and how to use the *Learning* Pupil Books. Through daily exposure to the 5+1 components of reading (phonics, phonological awareness, vocabulary, comprehension and fluency + writing), pupils will develop the skills they need to become successful readers and writers.

The Use of Ghanaian Languages

The languages used in the *Learning* Early Grade Reading Program are the 11- approved Ghanaian languages of instruction. Research shows that it is easier for children to learn to read in a language familiar to them. Children learn to read a second language, such as English, when the concepts of reading and writing have been established in the language that the pupil already speaks.

The *Learning* Teacher Guides have been produced in the 11-approved Ghanaian languages of instruction- Akuapem Twi, Asante Twi, Dagaare, Dagbani, Adangme, Eve, Mfantse, Ga, Gonja, Kasem and Nzema.

Time Allocation

The Language Policy makes provision for the use of Ghanaian language as the medium of instruction from Kindergarten 1 and 2 and Basic 1 to 3, while introducing English gradually until Basic 3. From Basic 4, English becomes the medium of instruction.

Accordingly, the *Learning* Early Grade Reading Program materials are designed to be taught for 30 minutes per day and should be implemented during the time slot allocated for local language literacy.

Structure of the Teacher Guide

The B2 *Learning* Teacher Guide contains one hundred and fifty lessons and the teaching skills in each lesson are built upon prior lessons. Therefore, it is critical that the lessons are taught in order.

Lesson Content

The weekly lessons are structured as follows:

- These lessons focus on learning letters, writing letters, using new vocabulary, and oral discussion. There are also read alouds with vocabulary and comprehension activities. On the 10th day of each week, there is a summary lesson and time for reinforcement of skills learned.

Language of Instruction

The official Ghanaian Language of Instruction should be used for teaching the *Learning* Early Grade Reading Program lessons. However, if you have pupils for whom the language of instruction is not their mother tongue, please see Annex II, “Techniques to Support Second Language Learners in the Classroom.” As you start using the *Learning* Teacher Guide, you will see that the instructions to the teacher are written in English and the scripts (what the teacher should say to the pupils) are in the Ghanaian Language of Instruction. The purpose of the scripting is to support the use of correct terminology and help present new ideas in child-friendly language.

Instructional Approach

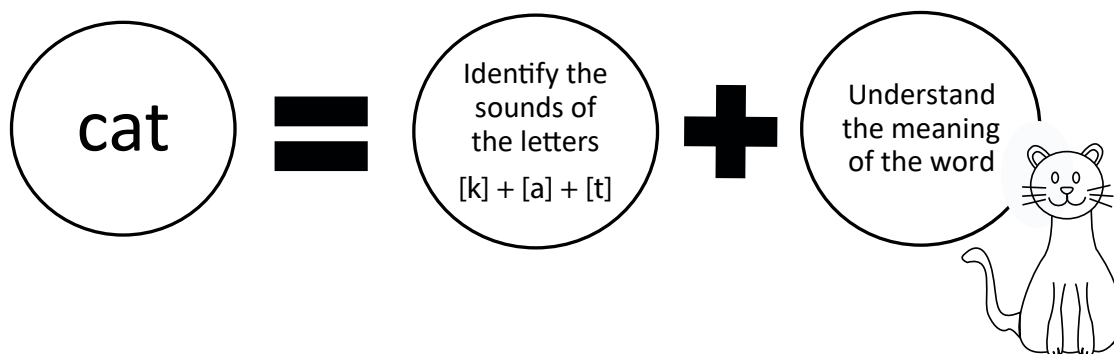

The primary approach used in the B2 *Learning* Teacher Guide is systematic and explicit instruction of reading fundamentals, based on the components of reading instruction plus writing (referred to as the “5 + 1” components). The integration of writing into reading is very important because reading and writing mirror each other (receiving and producing information) and are therefore, best taught together.

Important design features of the *Learning* Teacher Guide include:

- a) **Explicit instruction:** Key concepts are explained directly. To be explicit, we say to pupils what they are learning and why. For example, the teacher would say, “the letter “m” makes the sound “/m/,” rather than expecting children to figure it out on their own.
- b) **Structured instruction:** Key concepts are explained in a logical order, from simple to complex, and building on pupils’ prior knowledge. For example, building pupils’ word reading skills from sounds to letters, to syllables, to words and then sentences.
- c) **Teaching routines:** Activities are repeated regularly across the term. These predictable activities help pupils think about the content (like letters and stories) they are learning, instead of spending mental effort to figure out new instructions and activities during each lesson.
- d) **Teacher modelling:** The teacher regularly demonstrates reading and writing skills. Modelling for pupils as a whole class, small group and one-on-one aids pupils’ understanding.
- e) **Pupil practice:** To master reading and writing skills, pupils must try out what the teacher has taught many times over with new material (reading new words, or Answering new story questions, for example). All pupils should have opportunities to practice independently of the teacher each day.
- f) **Continuous Assessment:** To best support pupil learning, the teacher must understand their pupils’ strengths and needs. By regularly assessing pupils’ reading skills each week, the teacher knows which pupils will require extra help during the lessons and which skills the whole class will need to review.

The Simple View of Reading

The content of *Learning* Teacher Guide lessons can be understood by thinking about the “simple view of reading,” which states that effective reading with comprehension requires two main elements: word reading (or decoding) + understanding. For instance, when a pupil sees the word “cat”, the pupil must know the sounds of the letters and how to blend the sounds to make a word, as well as the meaning of the word, in order to successfully read it.

Word reading (decoding): To learn to read words, which is called “decoding,” pupils learn to recognize letters and their corresponding sounds. For longer words, pupils learn to recognize syllables. Then pupils pronounce the sounds of the letters or syllables together to read words, a process called “blending”. To become comfortable, fluent readers, pupils have multiple opportunities to read simple stories using the letters and syllables they have previously learned.

Understanding: Even if a child can pronounce a word from written text, they cannot truly read it if it does not hold meaning for them. They must be able to speak and listen in the language that they are reading and Ask and Answer questions in that language. They also must learn the meaning of words (vocabulary) and learn a variety of ways to think about what they read, such as making connections between what they read and their own experiences.

Classroom Environment

The *Learning* Early Grade Reading Program celebrates diversity and seeks to create a climate that is welcoming and inclusive. Teachers are encouraged to create meaningful connections with every child, recognizing that each child is unique and brings their own rich knowledge and experiences. All children should be given an opportunity to learn according to their needs, no matter their gender identity, language, ethnicity, physical or cognitive abilities, or financial means. Lessons in the *Learning* Early Grade Reading Program promote learning that is active, engaging, and nurturing (warm and affectionate) so that pupils can learn and reach their potential.

Additional Resources

Annex I “Techniques for Teaching *Learning* Lessons” describes key instructional techniques that are integrated into Lesson plans in the *Learning* Teacher Guide. Below is a list of the techniques:

- I do, We do, You do
- Turn and Talk
- Calling on pupils “at random”
- Whole class response

Annex II “Techniques to Support Second Language Learners in the Classroom” gives details on specific ways that teachers can engage and improve instruction for pupils who speak a language other than the Ghanaian Language of Instruction. Below is the list of topics:

- Create links to personal experience and background knowledge.
- Encourage pupils to use their home language (L1).
- Practice and play with the sounds of the target language.
- Enhance meaning with pictures, objects, and actions.
- Give pupils time to process and test out ideas, either by speaking their first language or in their new language, with a partner or small group.

Alphabet and Digraphs serve as a reference for the alphabet for the language. The alphabet includes a complete list of the single letters of the language, both small and capital letters. It also includes common digraphs. Digraphs (two letters together) represent a single sound in this language.

Take home books are supplementary books provided for B1 pupils to be used at home for reinforcement of reading lessons. These books include decodable stories for each week in addition to sound and syllable blending practice. The teacher should encourage pupils to read the books with their families and friends at home and make time for pupils to talk about what they read in the Take Home Books during class. However, pupils should not write in the Pupil Take Home Books

A Glossary of Words and Terminologies relating to the language has been provided as a guide for the teacher.

- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

6. Comprehension – Prediction check

(3 mins)

Check prediction based on picture and title

- Ask pupils to remember the predictions they made before they read the story. Give them a moment to think. Ask them to raise their hands if their predictions were what happened in the story.
- Remind the class what the volunteer pupils predicted before they read the story. Ask the pupils if those predictions were what happened.

Pupils practice writing the letter

- Ask pupils to locate the syllable “**ya**” in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “**y**” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “**y**” 5 times.

Dagbani Pupil Book

Standards

The pupils will be able to:

1. Use letter knowledge, syllable reading and blending skills to read a decodable text with increased fluency.
2. Ask and answer factual and inferential questions
3. Retell a story in their own words.
4. Use drawing and writing to respond to a story.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

ɛ, N, p, D, u, ʒ, b, k

2. New letter review

(2 mins)

Review the new letter from the previous day

- Point to the small letter “ɣ” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter “Y” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: Bachi dinnima ka yi mi ka di mali /ɣ/?

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – After reading

(8 mins)

Ask comprehension questions

- Call on a pupil randomly to answer the following question:
Question 1: Ქuni n-daa lee mali suᲕulo n-ti yaᲕi?
Question 2: BᲑ zuᲕu ka Sibiri daa bi gaᲕigi ba?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what is in the text or picture, as well as their own experiences, to reflect on what may have given them that idea.

Retell

- Ask for a volunteer pupil to say what happened in the story. Encourage the pupil to use their own words. Pupils should not read directly from the story.

6. Writing – Separate syllables

(10 mins)

Pupils write or draw a response to the story

- Write the following words.
kuᲕili, sandaani, tabisi, suᲕuli.
- Ask pupils to copy the words into their notebooks.
- Tell pupils that seeing parts of words helps them read and write. They will now learn to separate words into syllables with slashes (this symbol /).
- Model. Clap the first word. Put a slash mark between each syllable like this. **ku/Ვi/li.**
- Ask pupils to clap syllables in each word, then add slash marks between syllables.
- Walk around the classroom and help pupils successfully complete this activity.

- Ask pupil to say the sound with you again (no more than 2 times).

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Say: Pumpɔŋɔ, chɛliya ka ti bɔhim karimbu ni bachijil' shɛŋa din mali bachikɔb' shɛŋa zaa ti ni mi.
- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “i” and show the “y”.
- Say: Vu' bɔ n-lee bɔŋɔ? (pupils respond /y/)
- Cover the “y” and show the “i”.
- Say: Vu' bɔ n-lee bɔŋɔ? (pupils respond /i/).
- Say: Yi ni tooi laxim vuri maa karim, ka laxim ŋa m-boli bachijilli. Pumpɔŋɔ, laximmiya vuri maa karim /y/ /i/, “yi”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(6 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Gbulisimiya tibili wum ka lihi. N ni karim bachijila maa ka laxim ŋa nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Cheliya ka ti laxim m-buyisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpɔŋɔ, yi mi di ni tu ni yi nin shɛm. Karimmiya bachi shɛŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ŋɔ maa shɛm maa. Karimmiya bachijila maa pɔi ka naan yi laxim ŋa bachi maa. Zanmiya yi nubihi n-doli li. (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

6. Fluency activity

(10 mins)

Read common words

- Say: Ti ni bɔhim bachi gahinda biɛla shɛŋa din be lahibal' shɛli ti ni na yoli karim yi karimbihi buku ni maa karimbu.
- Ask pupils to look at the sentence at the bottom of the page in the pupil book.
- Write the sentence on the board.
- Circle the following common words in the same sentence the pupils just read:

yuyumpini, lɛri, ban, ŋubiri, mɔri

- Point to each common word in the sentence. Ask pupils to read these common words together as a class. Repeat no more than 3 times.

Re-reading for fluency

- Say: Pumpɔŋɔ, chɛliya ka ti karim yɛltɔyili maa zaa. Ti ni karim li bushɛm zuɣu. M bɔri ni yi buyisi di karimbu kamani yi yɛrila yɛltɔɣa n-tiri so la.
- Demonstrate reading without emotion (take pauses between words and be boring), and then do it again with more expression (with a natural pace and appropriate emotion - like excitement or sadness.)
- Then have pupils follow these steps:
 - 1) Pupils read the sentence with a partner twice.
 - 2) Teacher reads the sentence with the whole class.
 - 3) Pupils try reading with a partner naturally, with more emotion.
- Have pupils rate their own speed and emotion by holding 1, 2, or 3 fingers in the air. (1 – I was excellent, 2 – I was okay, 3 – I need more practice.)

- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

6. Comprehension – Prediction check

(3 mins)

Check prediction based on picture

- Ask pupils to remember their predictions from before they read the story. Give them a moment to think. Ask them to raise their hands if their predictions were what happened in the story.

1. Assessment: Before the lesson

Prepare for the assessment

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title “letters”, “syllables” and “individual score”.
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.
- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to Read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Yuyumpini ŋubiri o bihi o leli yi saɣim?
- Say: Cheliya ka ti karim n-nya!
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.
- Tell pupils that they will see a few words in the story missing. With their partners, they should choose which of the two options in parenthesis is the correct choice for the story.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.

- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list. Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Comprehension – Comprehension questions

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
Question 1: Bɔ ka yuxumpini leri ma tiri ba?
Question 2: Bɔ zuɣu ka yuxumpini mali o tiba tumdi tuma?
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Standards

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Reinforcement activities

(15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: “letter sounds” or “syllable blending”.

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Call on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt.
**TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.*

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi nɔ gbunni?
- Ask for a volunteer to tell say the meaning of the word. Then, ask pupils to point to the picture on the page that matches that word. Ask all pupils to point to the next word in the list and whisper read it to themselves. Call on a pupil at random to read the word for the class. Ask all pupils to point to the picture that matches the word.
- Continue the activity to the end of the word list, helping pupils that get stuck.

3. Word building

(10 mins)

Use syllables to build given words

- Tell pupils they will write words using the syllables in the box.
- Say: N tɛhirila bachi shɛli yɛla. Bachi maa n-nyɛ “**buyum**”. Chɛliya ka ti kpahi ti nuhi doli di bachijila maa: /bu / /yum/.
- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Bachi maa n-nyɛ “**buyum**”. Pumpɔɔ, ti mali bachi muni maa zaa ka di sabi doya. Chɛliya ka ti layim karim li. (Pupils read the word “**buyum**”).
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.

Words: **suguli**, **noli**, **lɛli**

Use syllables to build new words

- Say: Pumpɔɔ, m bɔrimi ni yi kpan yi maɲa n-nam yi tolitoli bachinima!
- Ask pupils to use any of the syllables in the pupil book to make another word that they know and write it in their copy books.
- Turn and talk: When pupils are finished, ask them to turn to a pupil next to them to share the word they made.

1. Identify and say the target sound, and recognize the letter that represents that sound.
2. Blend letter sounds to read syllables and syllables to read words.
3. Read syllables quickly and accurately.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point at random, quickly, to letters pupils have learnt.

R, ɲ, d, H, n, S, ɣ, P

2. Teach the sound

(4 mins)

Listening game – Middle sound

- Say each word below. Pupils put a hand up if they hear the sound at the beginning of the word and on the desk if they do not.

pemi, baɲa, tahili, bela, yema, dabba, lema, firila,

3. Letter and keyword

(10 mins)

Teach the letter

- Point to the small letter “e” on the alphabet strip or on the board.
- Say: Zuɲɔ ti bachikɔb’ palli maa m-bɔɲɔ. Bachikɔbili ɲɔ vuri nyɛla /e/. Bolimiya li n-doli ma:: /e/.
- Ask pupils to say the sound with you (no more than 2 times).

- Point to the small letter “e” on the alphabet strip or on the board again.
- Say: Saha pam ti ni nya li bachinima ni ka di nyela ŋ-ŋɔ.

Keyword picture study

- Say: Bɔ ka yi lee nya?
- Call on 1-2 pupils to name what they see in the picture.
- Say the keyword. Touch the letter of the day in the keyword in the pupil book. Say the sound.
- Say: Bolimiya li n-doli ma: “abe”. Yi wum /e/ “abe” ni?
- Ask pupils to touch the letter and say the word again.

Keyword analysis (Pupil Book Box #1)

- Write the keyword from Box #1 on the board.
- Point to the keyword.
- Say: Bachi maa n-nyɛ “abe.”
- Point to the syllable (under the keyword). Read it and show pupils how the syllable is part of the keyword.
- Point to the letter (under the syllable). Read it and show pupils how the letter is part of the syllable.

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “e” and show the “b”.
- Say: Vu’ bɔ n-lee bɔŋɔ? (pupils respond /b/)
- Cover the “b” and show the “e”.
- Say: Vu’ bɔ n-lee bɔŋɔ? (pupils respond /e/).
- Say: Yi ni tooi laxim vuri maa karim, ka laxim ŋa m-boli bachijilli. Pumpɔŋɔ, laximmiya vuri maa karim. /b/ /e/ “be.”
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(8 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Gbulisimiya tibili wum ka lihi. N ni karim bachijila maa ka layim na n-nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Cheliya ka ti layim buyisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpɔɔ yi mi di ni tu ni yi nin shem. Karimmiya bachi shɛna nan pahi maa yi bukunima ni kamani ti ni karim ɔɔ maa shem maa. Karimmiya bachijila maa pɔi ka naan yi layim na n-nam bachi maa. Zanmiya yi nubih n-doli li. (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

Neena leemu

3. Reason to read

(2 mins)

Think about why you want to read the story

- Say: Pumpɔɔ, yi ni karim lahibali maa yi tolitoli yi bukunima maa ni. Yi ni tooi karim di bachinima maa dama bachikɔb' shɛɛa di ni zaŋ sabi lala lahibali maa nyɛla ti ni daa pun bɔhim shɛli.

4. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. Do NOT read it aloud for them. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – After reading

(7 mins)

Ask comprehension questions

- Call on a pupil randomly to answer the following question:
Question 1: Ŋuni n-daa lee pɛbi kalamboo maa?
Question 2: Saha dini ka Nasara daa neei?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what is in the text or picture, as well as their own experiences, to reflect on what may have given them that idea.

6. Writing – Letters

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable “pe” in a word in the decodable story. Call on 2 pupils at random to share the words they found.

- Write the letter “e” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “e” 5 times.
- If some pupils finish early, tell them to draw a picture of something that begins with the sound /e/.

Dagbani Pupil Book

Standards

The pupils will be able to:

1. Use letter knowledge, syllable reading and blending skills to read a decodable text with increased fluency.
2. Understand capitalization and how to use it when writing sentences.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

R, ɲ, d, H, n, S, ɣ, P

2. New letter review

(2 mins)

Review the new letter from the previous day

- Point to the small letter “e” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter “E” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: Bachi dinnima ka yi mi ka vuri ɲɔ be dini /e/?

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Teaching sentence features

(8 mins)

How capitals are used in sentences

- Following the steps below, pupils will find capital letters in the pupil book story. Then they discover why they are capitalized.
- Ask pupils to look at the pupil book story. Ask them to find a capital letter and put their finger under it. Go around and check.
- Ask them why they think there is a capital letter there. Discuss with the class to help them figure out when capitals are used (what the “rule” is).
- Talk to pupils that sentences always start with a capital letter. This helps you read, because it tells you that a new sentence is beginning.
- Note that people, or characters in a story, and place names (like towns, cities and countries) are also capitalized.

6. Writing – Sentence features

(10 mins)

Practice using capitals while writing

- Turn and Talk: Pupils talk to a partner about a special occasion they attended, like a wedding or a birthday party, and what they did or enjoyed.
- Tell pupils they will now practice writing with a capital letter. Remind them that sentences start with a capital letter, and that they can find the capital letters on the alphabet strip.
- Write this sentence on the board:
Model sentence: Dahinsheli n daa chanla daa
- Pupils copy the first sentence, and write into the blank a special occasion. Walk around to be sure they use a capital to start the sentence.
- Then the pupils write their own sentence about what they did there. For example, “I danced with my cousins.”

(4 mins)

Tongue twister—Say the sound

- Say the tongue twister. Pupils repeat.

Neena neeya n-te abe teebuli zuɣu.

- Ask pupils what sound they hear most.

Listening game – Middle sound

- Say each word below. Pupils put a hand up if they hear the sound at the beginning of the word and on the desk if they do not.

pemi, baɲa, tahili, nɛli, dabba, lema, firila, yema,

3. Letter and keyword

(2 mins)

Review the letter

- Point to the small letter “e” on the alphabet strip or on the board.
- Say: Vu’ bɔ ka bachikɔbili ɲɔ mali?
- Ask pupils to say the sound with you (no more than 2 times).
- Say: Bachi gahindi’ dini ka ti pun bɔhim ka di ni sɔɲ ti ka ti teei bachikɔbili ɲɔ vuri maa?
- Turn and Talk: Ask pupils to turn to a pupil next to them to share the keyword for the letter of the week. They can use the picture on the alphabet strip or in their pupil books to help them. Then, ask one pair to say the keyword aloud for the whole class.
- Ask pupil to say the sound with you again (no more than 2 times).

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Say: Pumpɔŋɔ, chɛliya ka ti bɔhim karimbu ni bachijil' shɛŋa din mali bachikɔb' shɛŋa zaa ti ni mi.
- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “e” and show the “b”.
- Say: Vu' bɔ n-lee bɔŋɔ? (pupils respond /b/)
- Cover the “b” and show the “e”.
- Say: Vu' bɔ n-lee bɔŋɔ? (pupils respond /e/).
- Say: Yi ni tooi layim vuri maa karim, ka layim ŋa m-boli bachijilli. Pumpɔŋɔ layimmiya vuri maa karim. /b/ /e/, “be”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(6 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Gbulisimiya tibili wum ka lihi. N ni karim bachijila maa ka layim ŋa n-nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Chɛliya ka ti layim buyisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpɔŋɔ yi mi di ni tu ni yi niŋ shɛm. Karimmiya bachi shɛŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ŋɔ maa shɛm maa. Karimmiya bachijila maa pɔi ka naan yi layim ŋa n-nam bachi maa. Zanmiya yi nubihi n-doli li. (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

6. Fluency activity

(10 mins)

Read common words

- Say: Ti ni bɔhim bachi gahinda biɛla shɛŋa din be lahibal' shɛli ti ni na yoli karim yi karimbihi buku ni maa karimbu.
- Ask pupils to look at the sentence at the bottom of the page in the pupil book.
- Write the sentence on the board.

- Circle the following common words in the same sentence the pupils just read:

Neena, timpani, neeya, leemu, pemi

- Point to each common word in the sentence. Ask pupils to read these common words together as a class. Repeat no more than 3 times.

Re-reading for fluency

- Say: Pumpoṅṅ, cheliya ka ti karim yeltɔyili maa zaa. Ti ni karim li bushem zuyu. M bɔri ni yi buyisi di karimbu kamani yi yerila yeltɔya n-tiri so la.
- Demonstrate reading without emotion (take pauses between words and be boring), and then do it again with more expression (with a natural pace and appropriate emotion - like excitement or sadness).
- Then have pupils follow these steps:
 - 1) Pupils read the sentence with a partner twice.
 - 2) Teacher reads the sentence with the whole class.
 - 3) Pupils try reading with a partner naturally, with more emotion.
- Have pupils rate their own speed and emotion by holding 1, 2, or 3 fingers in the air. (1 – I was excellent, 2 – I was okay, 3 – I need more practice.)

2. Make predictions using a picture.
3. Write a new letter.

1. My language

(3 mins)

Teach a rule of the language

- Say: Sokam zaṅmi o nubila n-tiri adaka din be zuyusaa maa.
- Point to the My Language box in the Pupil Book. Ask pupils to point to it in their books.
- Ask pupils to read the My Language lines (a different pupil for each line).

- Call on 1-2 pupils to respond, as appropriate.

2. Vocabulary – Before reading

(5 mins)

Teach and discuss vocabulary

- Discuss the word meaning, using gestures or illustrations to support understanding. If needed, help pupils understand the word by saying it in another language they know.

leemu timpani

3. Reason to read

(2 mins)

Think about why you want to read the story

- Say: Pumpɔɔ, yi ni karim lahibali maa yi tolitoli yi bukunima maa ni. Yi ni tooi karim di bachinima maa dama bachikɔb' shɛɛa di ni zaŋ sabi lala lahibali maa nyɛla ti ni daa pun bɔhim shɛli.

4. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – After reading

(7 mins)

Ask comprehension questions

- Call on a pupil randomly to answer the following question:
Question 1: Ŋuni n-daa lee piɛbi kalamboo?
Question 2: Saha dini ka Nasara daa neei?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

6. Writing – Letters

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable “lee” in a word in the decodable story. Call on 2 pupils at random to share the words they found.

- Write the letter “e” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “e” 5 times.
- If some pupils finish early, tell them to draw a picture of something that begins with the sound /e/.

Dagbani—Lesson 17

“**taali**”, take away “**t**” [Response: “**aali**”]

2. Vocabulary – Before reading

(5 mins)

Review and discuss vocabulary

- Review the vocabulary words for this story (learnt during the last reading). Say each word and call on 3-4 pupils to say the word meanings.
- Call on pupils to use each word in a sentence.

Neena	meensi	maali
-------	--------	-------

3. Read aloud reminder

(2 mins)

Summarize the first part of the read aloud story

- Ask pupils what they remember about the beginning of the story.
- Remind pupils who the characters are, and what happened in the first part of the story.

4. Read aloud

(8 mins)

Read the following story aloud

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments. If pupils struggled with one of the new vocabulary words, pause to discuss its meaning in the story. If pupils are struggling with a new sound learnt this week, pause to point out the sound in a few different words.

- Write this chart on the board, and note responses. After you write the events, you will help pupils put them in order, sequentially.

Niḡsim ni niḡ sheli/ saha sheli	Ninvuy' so ḡun be lahibali puuni	Niḡsim ḡan niḡ lahibali ni/ niḡsimnima

- Ask pupils where the story took place. Remind pupils that this is called the “setting” [**niḡsim ni niḡ sheli/ saha sheli**].
- Note their response in the chart.
- Ask pupils who the characters were.
- Note the main characters in the chart.
- Say: ḡuni n-ni tooi yeli ma ninvuy' so ḡun be lahibali ni maa ni niḡ binsheli lahibali maa ni, bee binsheli din niḡ ninvuy' so ḡun be lahibali maa? (encourage pupils to stand up act out their responses)
- Tell pupils that the things that happen in the story are called “events” [**niḡsim ḡan niḡ/ niḡsimnima**].
- If the pupils missed any important events, add them.
- Help pupils put those events in order.
- Ask pupils to tell you what happened in the story. Remind them to say something about the place (setting), the characters, and the events.

10 Dagbani Pupil Book

Standards

The pupils will be able to:

1. Use letter knowledge, syllable reading and blending skills to read a decodable text with increased fluency.
2. Understand capitalization and how to use it when writing sentences.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

R, ɲ, d, H, n, S, ɣ, P

2. New letter review

(2 mins)

Review the new letter of the week

- Point to the small letter “e” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter “E” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: Bachi dinnima ka yi mi ka di piini ni vuri ɲo /e/?

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Teaching sentence features

(8 mins)

Review how capitals are used in sentences

- Review how capitals are used in writing.
- Ask pupils to find a capital letter in the pupil book story, and put their finger under it. Go around and check.
- Ask them when capitals are used (what the “rule” is).
- Remind pupils that sentences always start with a capital letter. This helps you read, because it tells you that a new sentence is beginning.
- Note that people, or characters in a story, and place names (like towns, cities and countries) are also capitalized.

6. Writing – Sentence features

(10 mins)

Capitalize during story response

- Ask pupils to take out their exercise books.
- Tell them that they will add to the story. Remind them to capitalize the first letter of each sentence.
- Turn and Talk: Pupils talk to a partner about what they think the character might do next.
- Encourage pupils to write their own response in their exercise books. If some pupils struggle, tell them to do their best or to work with their partner.
- Check during and after writing to be sure pupils used capitals to begin sentences.

Dagbani Pupil Book 11

Standard

The pupils will be able to:

1. Read text with fluency.

1. Assessment: Before the lesson

Prepare for the assessment

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title “letters”, “syllables” and “individual score”.
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.
- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to Read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Bɔ ka doo maa ninɗa?
- Say: Chɛliya ka ti karim n-nya!
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.
- Tell pupils that they will see a few words in the story missing. With their partners, they should choose which of the two options in parenthesis is the correct choice for the story.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.

- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list.
- Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Comprehension – Comprehension questions

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
 - Question 1: Ya ka Dede yili be?
 - Question 2: Bɔ saha ka saa daa mi?
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Standards

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Reinforcement activities

(15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: “letter sounds” or “syllable blending”.

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Call on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt.
**TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.*

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi nɔ gbunni?
- Ask for a volunteer to tell say the meaning of the word. Then, ask pupils to point to the picture on the page that matches that word. Ask all pupils to point to the next word in the list and whisper read it to themselves. Call on a pupil at random to read the word for the class. Ask all pupils to point to the picture that matches the word.
- Continue the activity to the end of the word list, helping pupils that get stuck.

3. Word building

(10 mins)

Use syllables to build given words

- Tell pupils they will write words using the syllables in the box.
- Say: N tɛhirila bachi shɛli yɛla. Bachi maa n-nyɛ “leemu”. Chɛliya ka ti kpahi ti nuhi doli di bachijila maa: /lee/, /mu/.
- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Pumpɔŋɔ ti mali bachi muni maa zaa ka di sabi doya. Chɛliya ka ti layim karim. Bachi maa n-nyɛ (Pupils read the word “leemu”).
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.

Words: **nina**, **kalamboo**, **naba**

Use syllables to build new words

- Say: Pumpɔŋɔ, m bɔrimi ni yi kpaŋ yi maŋa n-nam bachinima yi tolitoli!
- Ask pupils to use any of the syllables in the pupil book to make another word that they know and write it in their copy books.
- Turn and talk: When pupils are finished, ask them to turn to a pupil next to them to share the word they made.

3. Letter and keyword

(10 mins)

Teach the letter

- Point to the small letter “w” on the alphabet strip or on the board.
- Say: Zuŋɔ ti bachikɔb’ palli maa m-bɔŋɔ. Bachikɔbili ŋɔ vuri nyɛla /w/. Bolimiya li n-doli ma:: /w/.
- Ask pupils to say the sound with you (no more than 2 times).

- Say: Bachikɔbili ŋɔ mini li nyɛla zaɣ’ yinsi. Di vuri nyɛla yim /w/. Di bela ŋ-ŋɔ di yi ti niŋ ka di be yɛltɔyili piligu bee yuli piligu.
- Point to the small letter “w” on the alphabet strip or on the board again.
- Say: Saha pam ti ni nya li bachinima ni ka di nyɛla ŋ-ŋɔ.

Keyword picture study

- Say: Bɔ ka yi lee nya?
- Call on 1-2 pupils to name what they see in the picture.
- Say the keyword. Touch the letter of the day in the keyword in the pupil book. Say the sound.
- Say: Bolimiya li n-doli ma:: “wayimahili”. Yi wum /w/ “wayimahili” ni?
- Ask pupils to touch the letter and say the word again.

Keyword analysis (Pupil Book Box #1)

- Write the keyword from Box #1 on the board.
- Point to the keyword.
- Say: Bachi maa n-nye “Wayimahili”.
- Point to the syllable (under the keyword). Read it and show pupils how the syllable is part of the keyword.
- Point to the letter (under the syllable). Read it and show pupils how the letter is part of the syllable.

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “a” and show the “w”.
- Say: Vu’ bɔ n-lee bɔɔɔ? (pupils respond /w/)
- Cover the “w” and show the “a”.
- Say: Vu’ bɔ n-lee bɔɔɔ? (Pupils respond /a/).
- Say: Yi ni tooi laxim vuri maa karim, ka laxim ɲa m-boli bachijilli. Pumpɔɔɔ laximmiya vuri maa karim. /w/ /a/, “wa”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(8 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Gbulisimiya tibili wum ka lihi. N ni karim bachijila maa ka laxim ɲa n-nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.

- Say: Cheliya ka ti layim buyisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpoŋo yi mi di ni tu ni yi niŋ shem. Karimmiya bachi sheŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ŋo maa shem maa. Karimmiya bachijila maa pɔi ka naan yi layim ŋa n-nam bachi maa. Zanmiya yi nubihɪ n-doli li (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

Standards

The pupils will be able to:

1. Apply knowledge of new and previously-learned letters to read a short text independently.
2. Make predictions using a picture.
3. Write a new letter.

1. My language

(4 mins)

Teach a rule of the language

- Say: Sokam zanmi o nubila n-tiri adaka din be zuyusaa maa.
- Point to the My Language box in the Pupil Book. Ask pupils to point to it in their books.
- Ask pupils to read the My Language lines (a different pupil for each line).

- Say: Bachi dini n-lee nyɛ yim yɛltɔɣa ŋo puuni? Bɔ ka di yeri ti?
- Call on 1-2 pupils to respond, as appropriate.

2. Vocabulary – before reading

(5 mins)

Teach and discuss vocabulary

- Write the vocabulary on the board (but not the definitions). Ask pupils what they know about each one.
- Discuss the word meaning, using gestures or illustrations to support understanding. If needed, help pupils understand the word by saying it in another language they know.

wahu waa

3. Reason to read

(5 mins)

Think about why you want to read the story

- Say: Pumpɔŋɔ, yi ni karim lahibali maa yi tolitoli yi bukunima maa ni. Yi ni tooi karim di bachinima maa dama bachikɔb' shɛŋa di ni zaŋ sabi lala lahibali maa nyɛla ti ni daa pun bɔhim shɛlii.

- Say: Zaŋmiya yi ni mi binshɛŋa zaŋ kpa bachikɔba mini bachijila polo ka di sɔŋ ya ka yi karim lahibali maa yi tolitoli! Tirimiya bachinima maa ka karinda!

4. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. Do NOT read it aloud for them. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – After reading

(3 mins)

Ask comprehension questions

- Call on a pupil randomly to answer the following question:
Question 1: Ŋuni n-daa su wahu maa?
Question 2: Bɔ ka Wumpini daa wuhiri o wahu maa?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given that idea, such as their own experiences, or what they see in the text or picture.

6. Writing – Letters

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable /wa/ in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “w” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “w” 5 times.
- If some pupils finish early, tell them to draw a picture of something that begins with the sound /w/.

Aloud

Standards

The pupils will be able to:

1. Use new words correctly in sentences.
2. Connect characters, ideas and information in a story.
3. Use verbal and nonverbal communication appropriately.

“**wahala**”, take away “**h**” [Response: “**waala**”]
“**bara**”, take away “**r**” [Response: “**baa**”]
“**paya**”, take away “**y**” [Response: “**paa**”]
“**bihi**”, take away “**h**” [Response: “**bii**”]

2. Vocabulary – Before reading

(5 mins)

Teach and discuss vocabulary

- Tell pupils each word. Have them repeat it. Talk to the pupils about the new words they will hear in the text. Ask pupils what they know about each one.
- Discuss the word meaning with pupils, using gestures or illustrations to support understanding.

wulaani banli saawara

3. Comprehension – Before reading

(1 min)

Build awareness during reading

- Say: Zunɔ n yi karindi salinli maa n ni zani ka bɔhi bɔhisi. Bɔhisi ŋɔ ni sɔŋ ti ka ti mi ti tɛha zan

Read the following story aloud

- While reading, pause to ask the questions. Guide pupils to think about how the text and pictures relate to the question.
- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.

14

Dagbani Pupil Book

Standards

The pupils will be able to:

1. Use letter knowledge, syllable reading and blending skills to read a decodable text with increased fluency.
2. Understand capitalization and how to use it when writing sentences.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

H, ɣ, P, ɲ, L, y, K, s

2. New letter review

(2 mins)

Review the new letter from the previous day

- Point to the small letter “w” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter “W” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: Bachi dinnima ka yi mi ka di piini ni vuri ɲɔ /w/?

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Teaching sentence features

(8 mins)

Ask comprehension questions

- Review how capitals are used in sentences
- Ask pupils to find a capital letter in the pupil book story, and put their finger under it. Go around and check.
- Ask them when capitals are used (what the “rule” is).
- Remind pupils that sentences always start with a capital letter. This helps you read, because it tells you that a new sentence is beginning.
- Note that people, or characters in a story, and place names (like towns, cities and countries) are also capitalized.

6. Writing – Sentence features

(10 mins)

Practice using capitals while writing

- Turn and Talk: Pupils talk to a partner about a time that something made them laugh.
- Remind pupils that sentences start with a capital letter, and that they can find the capital letters on the alphabet strip.
- Write this sentence on the board:
- Model sentence: Dahinsheli, _____ daa che ka n la.
- Pupils copy the first sentence, and write into the blank something that made them laugh. Walk around to be sure they use a capital to start the sentence.
- Then the pupils write their own sentence about what made them laugh. For example, “I drew an elephant with no trunk.”

Standards

The pupils will be able to:

1. Identify and say the target sound, and recognize the letter that represents that sound.
2. Blend letter sounds to read syllables and syllables to read words.
3. Read syllables quickly and accurately.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point at random, quickly, to letters pupils have learnt. Pupils say the sounds of the letters

H, ɣ, P, ŋ, L, y, K, s

2. Teach the sound

(4 mins)

Tongue twister—Say the sound

- Say the tongue twister. Pupils repeat.

Wayirili wa waa waa ni n-wuhi wawariba

- Ask pupils what sound they hear most.

Listening game – First sound

- Say each word below. Pupils put a hand up if they hear the sound at the beginning of the word and on the desk if they do not.

wahu, bihi, luna, wahi, wari, mali, wumi, yuli

3. Letter and keyword

(2 mins)

Review the letter

- Point to the small letter “w” on the alphabet strip or on the board.
- Say: Vu’ bɔ n-lee bɔŋɔ?
- Ask pupils to say the sound with you (no more than 2 times).
- Say: Bachi gahindi’ dini ka ti pun bɔhim ka di ni sɔŋ ti ka ti teei bachikɔbili ŋɔ vuri maa?
- Turn and Talk: Ask pupils to turn to a pupil next to them to share the keyword for the letter of the week. They can use the picture on the alphabet strip or in their pupil books to help them. Then, ask one pair to say the keyword aloud for the whole class.
- Ask pupil to say the sound with you again (no more than 2 times).

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Say: Pumpɔŋɔ cheliya ka ti bɔhim karimbu ni bachijil' shɛŋa din mali bachikɔb' shɛŋa zaa ti ni mi.
- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “a” and show the “w”.
- Say: Vu' bɔ n-lee bɔŋɔ? (pupils respond /w/).
- Cover the “w” and show the “a”.
- Say: Vu' bɔ n-lee bɔŋɔ? (pupils respond /a/).
- Say: Yi ni tooi layim vuri maa karim, ka layim ŋa m-boli bachijilli. Pumpɔŋɔ layimmiya vuri maa karim. /w/ /a/, “wa”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(6 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Gbulisimiya tibili wum ka lihi. N ni karim bachijila maa ka layim ŋa nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Cheliya ka ti layim m-buyisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpɔŋɔ yi mi di ni tu ni yi niŋ shɛm. Karimmiya bachi shɛŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ŋɔ maa shɛm maa. Karimmiya bachijila maa pɔi ka naan yi layim ŋa bachi maa. Zanmiya yi nubihi n-doli li. (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

6. Fluency activity

(10 mins)

Read common words

- Say: Ti ni bɔhim bachi gahinda biɛla shɛŋa din be lahibal' sheli ti ni na yoli karim yi karimbihi buku ni maa karimbu.
- Ask pupils to look at the sentence at the bottom of the page in the pupil book.

- Write the sentence on the board.
- Circle the following common words in the same sentence the pupils just read:

baŋli bihi kuyili

- Point to each common word in the sentence. Ask pupils to read these common words together as a class. Repeat no more than 3 times.

Re-reading for fluency

- Say: Pumpɔŋɔ, chɛliya ka ti karim yɛltɔyili maa zaa. Ti ni karim li bushɛm zuɣu. M bɔri ni yi buɣisi di karimbu kamani yi yɛri la yɛltɔɣa n-tiri so la.
- Demonstrate reading without emotion (take pauses between words and be boring), and then do it again with more expression (with a natural pace and appropriate emotion - like excitement or sadness).
- Then have pupils follow these steps:
 - 1) Pupils read the sentence with a partner twice.
 - 2) Teacher reads the sentence with the whole class.
 - 3) Pupils try reading with a partner naturally, with more emotion.
- Have pupils rate their own speed and emotion by holding 1, 2, or 3 fingers in the air. (1 – I was excellent, 2 – I was okay, 3 – I need more practice.)

3. Write a new letter.

1. My language

(3 mins)

Teach a rule of the language

- Say: Sokam zaŋmi o nubila n-tiri adaka din be zuɣusaa maa.
- Point to the My Language box in the Pupil Book. Ask pupils to point to it in their books.
- Ask pupils to read the My Language lines (a different pupil for each line).

- Say: Bachi dinnima n-nyɛ kɔŋkɔba? Wula ka di gbunni maa taxi?
- Call on 1-2 pupils to respond, as appropriate.

2. Vocabulary – Before reading

(5 mins)

Teach and discuss vocabulary

- Write the vocabulary on the board (but not the definitions). Ask pupils what they know about each one.
- Discuss the word meaning, using gestures or illustrations to support understanding. If needed, help pupils understand the word by saying it in another language they know.

wulaani banli

3. Reason to read

(2 mins)

Think about why you want to read the story

- Say: Pumpoŋɔ, yi ni karim lahibali maa yi tolitoli yi bukunima maa ni. Yi ni tooi karim di bachinima maa dama bachikɔb' shɛŋa di ni zaŋ sabi lala lahibali maa nyɛla ti ni daa pun bɔhim shɛli.

- Say: Zaŋmiya yi ni mi binshɛŋa zaŋ kpa bachikɔba mini bachijila polo ka di sɔŋ ya ka yi karim lahibali maa yi tolitoli! Tirimiya bachinima maa ka karinda!

4. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – After reading

(7 mins)

Ask comprehension questions

- Call on a pupil randomly to answer the following question:
Question 1: Ŋuni m-bɔri ni o di wulaani?
Question 2: Bɔ zuɣu ka banli pii niŋ?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what is in the text or picture, as well as their own experiences, to reflect on what may have given them that idea.

Pupils practice writing the letter

- Ask pupils to locate the syllable “**wa**” in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “**w**” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “**w**” 5 times.
- If some pupils finish early, tell them to draw a picture of something that begins with the sound /w/.

Standards

The pupils will be able to:

1. Use new words correctly in sentences.
2. Use verbal and nonverbal communication appropriately.
3. Retell a story in their own words.

1. Teach the sound

(5 mins)

Listening game – Identify different sounds

- Say: Cheliya ka ti zan bachikɔba vuri n-diɛm diɛma.
N yen bolila bachi. Dinsaha ka yeli ya vu' sheli yi ni
yen yihi m-bahi. Dinsaha ka yi boli bachi palli maa.
Ti daa pun zan bachijila n-diɛm diɛma ɲɔ kpee.
Pumpɔɲɔ ti yen zanla bachikɔba vuri n-diɛm li.
- Give an example – “**wahu**”, take away “**w**” [Response: “**ahu**”].

- Continue with the rest of the words
“**wahala**”, take away “**h**” [Response: “**waala**”]
“**bara**”, take away “**r**” [Response: “**baa**”]
“**paya**”, take away “**y**” [Response: “**paa**”]
“**bihi**”, take away “**h**” [Response: “**bii**”]

2. Vocabulary – Before reading

(5 mins)

Review and discuss vocabulary

- Review the vocabulary words for this story (learnt during the last reading). Say each word and call on 3-4 pupils to say the word meanings.
- Call on pupils to use each word in a sentence.

wulaani banli saawara

3. Read aloud reminder

(2 mins)

Summarize the first part of the read aloud story

- Ask pupils what they remember about the beginning of the story. Remind pupils who the characters are, and what happened in the first part of the story.

Read the following story aloud

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments. If pupils struggled with one of the new vocabulary words, pause to discuss its meaning in the story. If pupils are struggling with a new sound learnt this week, pause to point out the sound in a few different words.

5. Comprehension - Retell

(8 mins)

Comprehension – Retell with character, setting, and events

- Say: Ti yi yeri so zaŋ kpa lahibal’ sheli ti ni karim polo, ti yerila binyera ata yela lahibali maa ni. Ɗanima n-nye; niŋsim shee, ɲun be lahibali maa ni, ni din niŋ lahibali maa ni. Zuŋɔ cheliya ka ti nya ti ni tooi teei sheli lahibali maa ni. Binyera din niŋdi lahibali ni ti booni la “niŋsim”.
- Write this chart on the board, and note responses. After you write the events, you will help pupils put them in order, sequentially.

Niŋsim shee	Ninvux’ so ɲun be lahibali puuni	Niŋsim

- Ask pupils where the story took place. Remind pupils that this is called the “setting” “**Niŋsim shee**” Note the setting in the chart.
- Ask pupils who the characters were. Note the main characters in the chart.

- Say: ŋuni n-lee ni tooi yeli ma ninvuy' so ŋun be lahibali maa ni ni niŋ sheli lahibali maa ni, bee binsheɣu din niŋ ninvuy' so ŋun be lahibali maa ni? (encourage pupils to stand up act out their responses)
- Tell pupils that the things that happen in the story are called “events” “**niŋsim**”
- If the pupils missed any important events, add them.
- Help pupils put the events in order.
- Ask pupils to tell you what happened in the story. Remind them to say something about the place (setting), the characters, and the events.

16 Dagbani Pupil Book

Standards

The pupils will be able to:

1. Use letter knowledge, syllable reading and blending skills to read a decodable text with increased fluency.
2. Understand capitalization and how to use it when writing sentences.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

H, ɣ, P, ŋ, L, y, K, s

2. New letter review

(2 mins)

Review the new letter of the week

- Point to the small letter “**w**” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter “**W**” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: Bachi dinnima ka yi mi ka di piini ni vuri ŋɔ /w/?

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Teaching sentence features

(8 mins)

Review how capitals are used in sentences

- Review how capitals are used in writing.
- Ask pupils to find a capital letter in the pupil book story, and put their finger under it. Go around and check.
- Ask them when capitals are used (what the “rule” is).
- Remind pupils that sentences always start with a capital letter. This helps you read because it tells you that a new sentence is beginning.
- Note that people, or characters in a story, and place names (like towns, cities and countries) are also capitalized.

6. Writing – Sentence features

(10 mins)

Capitalize during story response

- Ask pupils to take out their exercise books.
- Tell them that they will add to the story. Remind them to capitalize the first letter of each sentence.
- Turn and Talk: Pupils talk to a partner about what they think the character might do next.
- Encourage pupils to write their own response in their exercise books. If some pupils struggle, they can do their best or work with their partner.
- Check during and after writing to be sure pupils used capitals to begin sentences.

Standard

The pupils will be able to:

1. Read text with fluency.

1. Assessment: Before the lesson

Prepare for the assessment

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title “letters”, “syllables” and “individual score”.
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.
- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to Read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Bɔ ka Dawuni daa mali ka bɔri ŋun yɛn yuli ba?
- Say: Chɛliya ka ti karim n-nya!
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.
- Tell pupils that they will see a few words in the story missing. With their partners, they should choose which of the two options in parenthesis is the correct choice for the story.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.

- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list. Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Comprehension – Comprehension questions

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
 Question 1: Banima n-daa yeli ni be ni yuli Dawuni nobihi maa?
 Question 2: Bo zuyu ka Kundun daa bali?
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Standards

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Reinforcement activities

(15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: "letter sounds" or "syllable blending".

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Call on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt.
**TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.*

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi nɔ gbunni?
- Ask for a volunteer to tell or say the meaning of the word. Then, ask pupils to point to the picture on the page that matches that word. Ask all pupils to point to the next word in the list and whisper read it to themselves. Call on a pupil at random to read the word for the class. Ask all pupils to point to the picture that matches the word.
- Continue the activity to the end of the word list, helping pupils that get stuck.

3. Word building

(10 mins)

Use syllables to build given words

- Tell pupils they will write words using the syllables in the box.
- Say: N tɛhirila bachi shɛli yɛla. Bachi maa n-nyɛ “wahu”. Chɛliya ka ti kpahi ti nuhi doli di bachijila maa /wa/ /hu/.
- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Bachi maa n-nyɛ “wahu”. Pumpɔɔ ti mali bachi muni maa zaa ka di sabi doya. Chɛliya ka ti laxim karim li. (Pupils read the word “wahu”.)
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.

Words: **yuli, dayugu, yugu**

Use syllables to build new words

- Say: Pumpɔɔ, m bɔrimi ni yi kpaɲ yi maɲa n-nam yi tolitoli bachinima!
- Ask pupils to use any of the syllables in the pupil book to make another word that they know and write it in their copy books.
- Turn and talk: When pupils are finished, ask them to turn to a pupil next to them to share the word they made.

Standards

The pupils will be able to:

1. Connect letters with spoken words.
2. Show the teacher which letters they know well, and which they don't know well.

1. Practise Ladder - Letters

(15 mins)

How to play:

Consonants

- Write the letters from the grid below on the ground. Draw the grid, and write the **letters** in each box. (If that is not possible, draw it on the blackboard, and find a long stick for pupils to point to the correct box. In this case, they will point, not hop.)

w	e	ɣ	p
ʒ	η	b	n
l	s	m	r
k	d	a	ε
h	u	t	y

- Divide the class into two groups (at random, or by first letter of their name, etc.) and choose a group to start.
- Read the first word from the list below. The first pupil from the group will jump on the box that has the letter at the beginning of the word.
- Say: Wummi konsɔnanti maa vuri bachi maa piligu ka tiri li. Bachi maa n-nyε: (say a word from the word list below).
- If the child is correct, give their group a point. If not, let the first pupil from the other group try. If that pupil is correct, give their group a point. If nobody knows it, demonstrate – hop on the box and show them the correct letter.
- Continue with the rest of the words.
- Word list: **saa nuu dam bia paanu ʒim wahi ηamli yili lari paya doo**

Vowels

- Next, play the same game with vowels. The vowels are in the words, not at the beginning.
- Say: Wummi vaawuli maa vuri bachi maa ni ka tiri li. Vaawuli maa n-nyε: (say a word from the word list below.)
- Continue with the rest of the words.
- Word list: **baa puu loo ʒem ne yili wa zuɣu**

Prepare and practice

- This assessment focuses on the eight letters pupils learned this term. The results will tell you which letters to review.
- Prepare by arranging pupils for testing. If possible, there should be some space between pupils. One possibility is for pupils to sit back-to-back, so they can't easily see each-other's pupil books.
- Ask pupils to open to the page. They will see rows of letters with a number at the beginning of each row.
- Let pupils know that you will tell them what row of letters to look at. You will say a sound. Pupils should point to the letter in that row that makes the sound.
- Remind them to only look at their own book, not another pupil's book.
- Ask pupils to try the practice row at the top. A flower marks the practice row. Help them with the practice row, to be sure they understand how to respond. Say the sound of this letter for the practice row:
- Row (flower), Letter: **b**

Assess pupils

- Continue calling letters for the rest of the rows.

Marking

- For each **letter** you call out, look at 6 pupils' responses at random. If there are two or more pupils pointing to an incorrect letter, note down the letter. You will review these difficult letters.
- Below is the list of letters to call out, by row. Remember to mark each difficult item before moving to the next one.
- Row 1, Letter: **a**
- Row 2, Letter: **η**
- Row 3, Letter: **e**
- Row 4, Letter: **γ**
- Row 5, Letter: **w**
- Row 6, Letter: **k**
- Row 7, Letter: **l**
- Row 8, Letter: **ε**

20 Dagbani Pupil Book

Standards

The pupils will be able to:

1. Connect syllables with spoken words.
2. Show the teacher which syllables they know well, and which they don't know well.

1. Reinforcement – Re-teach letters (10 mins)

Re-teach letters pupils aren't sure of

- Look at your list of letters from the assessment. These are letters that pupils were not confident with or that several pupils got wrong. Pull out the alphabet cards for only those letters.
- Use the alphabet strip to remind pupils of the letter sound and keyword for each letter.

- Raise up each of the alphabet cards, quickly. Ask pupils to say the letter sound as soon as they see it. Spend a couple minutes on this.

2. Reinforcement – Letter game

(10 mins)

Ask pupils for words they know

- In this game, the pupils will pass around the alphabet cards with only the letters you want to reinforce (the same letters as above). They will say its sound, and think of a word with that sound. Each time the letter comes up, they'll think of a new word.
- If possible, have the pupils stand in a circle.
- The first pupil should hold up the deck for the other pupils with the top card showing. The pupil says the sound of the letter (if the sound is incorrect, the teacher should say the correct sound, and the pupil should repeat it correctly).
- Then the same pupil says a word that starts with the letter. If it is a vowel, the pupil says a word that has the letter in it.
- The other pupils should say if they agree that the word has the letter in it.
- If they agree, then ALL pupils say the sound of the letter, and the word.
- Then the pupil passes the deck to the next child in the row. The next pupil puts the top card on the bottom. Then they continue (say the letter sound, and a word with the letter in it).
- As the letters begin to come up again, encourage pupils to find words that nobody else has used yet in this game.

3. Decodable story reading – In pairs

(10 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

Standards

The pupils will be able to:

1. Connect letters with spoken words.
2. Show the teacher which letters they know well, and which they don't know well.

1. Practise Ladder - Letters

(15 mins)

How to play:

- Write the **syllables** from the grid below on the ground. Draw the grid, and write the **syllables** in each box. (If that is not possible, draw it on the blackboard, and find a long stick for pupils to point to the correct box. In this case, they will point, not hop.)

ɜi	da	wa	ni
ri	mi	su	hi
sa	bi	ma	lib
ti	zo	si	maa
dab	nɛ	baa	ka

- Divide the class into two groups (at random, or by first letter of their name, etc.) and choose a group to start.
- Read the first word from the list below. The first pupil from the group will jump on the box that has the letter at the beginning of the word.
- Say: Wummi bachijilli maa vuri ka tiri li. Bachijilli maa n-nyɛ: (say a word from the word list below).

- If the child is correct, give their group a point. If not, let the first pupil from the other group try. If that pupil is correct, give their group a point. If nobody knows it, demonstrate – hop on the box and show them the correct letter.
- Continue with the rest of the words.

Syllable list: **ni wa da ʒi ri mi su hi lib ma bi sa ti zo si maa ka baa ne dab**

2. Assessment – Syllables

(15 mins)

Prepare and practice

- This assessment focuses on the eight letters pupils learned this term. The results will tell you which letters to review.
- Prepare by arranging pupils for testing. If possible, there should be some space between pupils. One possibility is for pupils to sit back-to-back, so they can't easily see each-other's pupil books.
- Ask pupils to open to the page. They will see rows of letters with a number at the beginning of each row.
- Let pupils know that you will tell them what row of letters to look at. You will say a sound. Pupils should point to the letter in that row that makes the sound.
- Remind them to only look at their own book, not another pupil's book.
- Ask pupils to try the practice row at the top. A flower marks the practice row. Help them with the practice row, to be sure they understand how to respond. Say the sound of this letter for the practice row:
- Row (flower), Syllable: **dab**

Assess pupils

- Continue calling syllables for the rest of the rows.

Marking

- For each **syllable** you call out, look at 6 pupils' responses at random. If there are two or more pupils pointing to an incorrect syllable, note down the syllable. If there are particularly difficult letters, note that too. You will review these difficult letters and syllables.
- Below is the list of letters to call out, by row. Remember to mark each difficult item before moving to the next one.
- Row 1, Syllable: **ʒ**
- Row 2, Syllable: **m**
- Row 3, Syllable: **n**
- Row 4, Syllable: **r**
- Row 5, Syllable: **b**
- Row 6, Syllable: **h**
- Row 7, Syllable: **w**
- Row 8, Syllable: **d**

Standards

The pupils will be able to:

1. Connect syllables with spoken words.
2. Show the teacher which syllables they know well, and which they don't know well.

1. Reinforcement – Re-teach syllable blending

(10 mins)

Re-teach letters pupils aren't sure of

- Look at your list of syllables from the assessment. These are syllables that several pupils got wrong.
- Write the first one on the board.
- Reteach how to blend.
 - Point to each letter slowly, say its sound, and have pupils repeat it. Then move your finger slowly under the syllable, blending the sounds together to say the whole syllable slowly. Ask pupils to repeat.

- Continue with each item from the assessment that pupils found challenging.

2. Reinforcement – Make a match, blending game

(10 mins)

Syllable matching game directions:

- In this game, pupils will demonstrate blending by standing with a sound – separately, then standing together to form a syllable.
- Pull out the alphabet cards for the letters in syllables that pupils found challenging. (If it was only one or two they found challenging, add a couple more consonants and a couple vowels to the pile.)
- Ask two pupils to come to the front of the class (or three, if you have three-letter syllables)
- Choose a syllable, and give the pupils the letters in that syllable. Ask the pupils to hold up their letter so everyone can see. Then they should stand beside each other, but a few meters apart.
- Say: N yi tiri a, ka a boli bachikɔbili maa vuri. Di yi laɣim taba, ka a boli bachijilli maa.
- Ask the pupils to slowly move to the middle, keeping their letters so the whole class can see. Point to each pupil a couple times (starting with the first letter in the syllable), as the whole class says the sound.
- When they are together, put your hands over both pupils at once (so the class knows they are now standing together). Have whole class say the whole syllable.

- If pupils struggle on the first try, do the same syllable again, encouraging them for correct responses.
- Once the entire class does the first syllable correctly, continue with the next syllable.

3. Decodable story reading – In pairs

(10 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

Special Instructions

Instructions to teachers

- ASER is an assessment of pupils' progress in reading skills over the school year. Conducting ASER is a part of this program. It gives you, the teacher, the ability to track how your pupils are advancing, and identify pupils who need extra help in reading.
- Lessons 41, 43, 45, 47 and 49 are short. They contain a new story each day for pupils to read, and the Syllable Race game to play. Pupils will do the same two activities each day during the Lessons. This is meant to do a couple things:

- 1) Free teachers' time to conduct ASER. Student-directed activities should make it easier for teachers to have someone else with their classroom (such as the Curriculum Lead, Head Teacher, assistant teacher, or a trusted parent volunteer), so the teacher can use this time during each Lesson to assess pupils using ASER.
- 2) Support pupils' reading fluency. The more pupils read, the more fluent and confident readers they become. The "Syllable Race" game, below (to be played each day), supports syllable counting and word reading.

- Lessons 42, 44, 46, 48 and 50 are based on the story in the prior lessons, and require a teacher, or other educator, to lead the instruction.

Orientation of pupils (and the person who will stay with the pupils)

- *On this lesson day, 41, please take time to orient the pupils, and the person staying with the pupils, on what they are meant to do. Also, please take a moment to explain the game to pupils. They will do the same activities each day, but using the new story and Syllable Race game for that Lesson.*
- *Write today's Lesson # on the board. Be sure they have the materials they need.*
- *In this lesson...*
 1. Pupils will read the story alone.
 2. After reading it alone, they will find a pair and re-read the story.
 3. With the time remaining after reading, pupils will play the Syllable Race game.

1. Decodable story reading – Independent & in pairs

(15 mins)

Pupils read aloud in the book independently

- Pupils should be given time to read the story independently. They should whisper read (read quietly), putting their finger under each word as they read it.

Pupils read in pairs

- Pupils should then read the decodable story in pairs. They may find a person to pair with after reading alone.

2. Syllable Race (game) – Complete instructions

(15 mins)

Pupils play the Syllable Race game

Syllable Race (game) Instructions

Materials:

- Pupil Lesson page with game board and word grid.
- Game piece. Each child brings in (or find in the schoolyard) a small thing, like a bottle cap or small stone, to use as a game piece [diema bini]. They will move it around the gameboard [diema polo].
- Note: *pupils should keep their game piece, and have it ready to use each day this week.*

Preparations:

- Teacher, or person with the pupils, places them in groups of 4.
- Within the group of four (4), the pupils each find a partner, to form a team [tiim]. So, each group is made of two (2) teams [tiimnima] of two (2) pupils. If there are remaining pupils once groups are formed, they should be added to teams [tiimnima], so some teams [tiimnima] will have three (3) pupils instead of two (2) pupils.
- Each team of two pupils selects one (1) game piece [diema bini] to use. Each team opens one (1) pupil book to the page with the game board for this lesson.

How to play:

- The pupil who has the most letters in their first name starts
- The pupil drops a pebble on the grid of words (in the pupil book) from about 15 centimeters up. If it doesn't fall on the word grid, or falls in the middle of a grid line, keep trying until it falls inside a box.
- Once the pebble falls on a box with a word in it: Pupils,
 - 1) Clap the syllables in that word,
 - 2) Count the number of syllables,
 - 3) Confirm with the group that is the correct number of syllables, and
 - 4) Move forward that number of spaces on the game board.
- Then a player from the other team plays (drops the pebble, and does steps 1-4 above).
- Teams should continue to take turns, allowing each player in the group to try. Partners on a team should be encouraged to help each other.
- The team that reaches the end first, wins! All players in the group shine for that team.
- Then the game can be played again, in the time remaining for the lesson.

Special Instructions

Instructions to teachers

- ASER is an assessment of pupils' progress in reading skills over the school year. Conducting ASER is a part of this program. It gives you, the teacher, the ability to track how your pupils are advancing, and identify pupils who need extra help in reading.
- Lessons 41, 43, 45, 47 and 49 are short. They contain a new story each day for pupils to read, and the Syllable Race game to play. Pupils will do the same two activities each day during the Lessons. This is meant to do a couple things:

- 1) Free teachers' time to conduct ASER. Student-directed activities should make it easier for teachers to have someone else with their classroom (such as the Curriculum Lead, Head Teacher, assistant teacher, or a trusted parent volunteer), so the teacher can use this time during each Lesson to assess pupils using ASER.
 - 2) Support pupils' reading fluency. The more pupils read, the more fluent and confident readers they become. The "Syllable Race" game, below (to be played each day), supports syllable counting and word reading.
- Lessons 42, 44, 46, 48 and 50 are based on the story in the prior lessons, and require a teacher, or other educator, to lead the instruction.

Orientation of pupils (and the person who will stay with the pupils)

- Please remind the pupils, and person staying with the pupils, what they are meant to do.
- Write today's Lesson # on the board. Be sure they have the materials they need. This lesson is the same as yesterday (but using the story and game grid for this lesson).
 1. Pupils will read the story alone.
 2. After reading it alone, they will find a pair and re-read the story.
 3. With the time remaining after reading, pupils will play the Syllable Race game.

1. Decodable story reading – Independent & in pairs

(15 mins)

Pupils read aloud in the book independently

- Pupils should be given time to read the story independently. They should whisper read (read quietly), putting their finger under each word as they read it.

Pupils read in pairs

- Pupils should then read the decodable story in pairs. They may find a person to pair with after reading alone.

2. Syllable Race (game)

Pupils play the Syllable Race game

- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – Making connections

(8 mins)

Ask comprehension questions

- Call on a pupil randomly to answer the following question:
Question 1: A yi di daa nye Kusumbule ya polo ka a di yen guui kpa? Karimmi yeltɔy' sheli din wuhiri a lala maa.
Question 2: Wula ka kusumbule daa yeli Naawuni? Karimmi yeltɔy' sheli din wuhiri a lala maa.
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Make text-to-self connections

- Say: Ti yi ti karindi lahibali, di ni tooi teei ti binsheli din na min nin ti ti biɛhigu ni.
- Say: Pumpɔɔ, teemi Kusumbule ni daa luhi gala la yela. Lala bini na mi m-paagi a? Wula ka a daa nin?
- Ask pupils to turn to a partner to share their answers.
- Call on a pupil randomly to share their answer to the question. Discuss their answer with the class. Help the pupils think about how the story relates to their own lives and how they can use their own experiences to understand the story.

6. Writing – Sentence features

(10 mins)

Writing – Capital letter

- Write names of 2 pupils in the class and the name of the town/village on the board, all starting with small letters.
- Mention the names and the town to the pupils as you point to the words on the board.
- Ask the 2 pupils whose names are written on the board to tell you what they see different about their names. If pupils have difficulties, ask them to think about the initial letters of the names.
- Remind pupils that all names start with capital letters.
- Call on 2 other pupils to come to the board and change the first letters in the names to capital letters.
- Do same with the name of the town/village. Explain to pupils the name of a town/village also starts with a capital letter. Call on 3 pupils, each to name one thing that would begin with a capital letter.
- Write 5 names on the board starting with small letters. Pupil copy the 5 names into their exercise books, changing the first letters into capital letters.

4. Read syllables

(7 mins)

- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Chɛliya ka ti zaa layim m-buxisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpɔŋɔ, yi mi di ni tu ni yi niŋ shɛm. Karimmiya bachi shɛŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ŋɔ maa shɛm maa! Karimmiya bachijila maa pɔi ka naan yi layim ŋa m-boli bachi maa! Zaŋmiya yi nubihɪ n-dolisi li! (Monitor and help pupils.)

Re-reading for fluency

- Say: Pumpoŋɔ, chɛliya ka ti karim yɛltɔyili maa zaa. Ti ni karim li bushɛm. M bɔrimi ni yi karim li kamani yi dirila so alizama la.
- Demonstrate reading without emotion (take pauses between words and be boring), and then do it again with more expression (with a natural pace and appropriate emotion - like excitement or sadness.)
- Then have pupils follow these steps:
 - 1) Pupils read the sentence with a partner twice.
 - 2) Teacher reads the sentence with the whole class.
 - 3) Pupils try reading with a partner naturally, with more emotion.
- Have pupils rate their own speed and emotion by holding 1, 2, or 3 fingers in the air. (1 – I was excellent, 2 – I was okay, 3 – I need more practice.)

Standards

The pupils will be able to:

1. Use letter knowledge, syllable reading and blending skills to read a decodable text with increased fluency.
2. Ask and answer factual and inferential questions.
3. Make a connection between a story and personal experience.
4. Use drawing and writing to respond to a story.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

ɣ, P, e, p, W, ʏ, w, E

2. New letter review

(2 mins)

Review the new letter of the week

- Point to the small letter “g” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter “G” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: Bachi dinnima ka yi mi ka di piini ni /g/?

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – Making connections

(8 mins)

Ask comprehension questions

- Call on pupils randomly to answer the following questions:
Question 1: A yi di daa nye Naporoo, a daa naan paai gala maa?
Question 2: Bɔ ka bɛ daa nya guliylili maa zuɣu?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Make text-to-self connections

- Say: Ti yi ti karindi lahibali, di ni tooi teei ti binsheli din na mi n-niɲ ti ti biɛhigu ni.
- Say: Pumpɔɲɔ, teemi Naporoo ni daa lu abirima la yɛla. Lala bini na mi m-paagi a? Wula ka a daa niɲ?
- Ask pupils to turn to a partner to share their answers.
- Call on a pupil randomly to share their answer to the question. Discuss their answer with the class. Help the pupils think about how the story relates to their own lives and how they can use their own experiences to understand the story.

Speaking for writing

- Tell pupils a make-up story with 2 characters who have a problem or are on an adventure. Ensure the story fits your pupil's interests and is not too scary.
- Start to narrate the made-up story but after few sentences stop.
- Ask pupils to close their eyes for a few seconds and think about what might happen next in the story.
- Think-pair-share; In pairs, ask pupils to share with their partner what they think will happen next.
- Call on 2-3 pupils to share their suggestions.

Writing what's next

- Remind pupils that each of them has a different idea of what might happen next in the story.
- Ask pupils to draw their idea of what happens next in their books. After 1-2 minutes, ask them to write a sentence about their drawing.
- Move around and support pupils. Encourage them to write, even if they don't the correct spelling. Remind them to use letter sounds to form syllables then use the syllable to spell words as they write their sentence.

Standard

The pupils will be able to:

1. Read text with fluency.

1. Assessment: Before the lesson**Prepare for the assessment**

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title "letters", "syllables" and "individual score".
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.
- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Yi tēhiya ni bō ka niriba maa nīndi maa? Chēliya ka ti karim lahibali maa n-nya din layim bā.
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list. Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Comprehension

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
 - Question 1: Di yi di daa nyē nyini n-nyē Bangahim wula ka a daa lee yēn nīn?
 - Question 2: Bō ka Bangahim daa wum?

- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Standards

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Reinforcement activities

(15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: "letter sounds" or "syllable blending".

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Calls on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt.
*TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi nɔ gbunni lee nyɛla wula?
- Ask for a volunteer to tell say the meaning of the word. Then, ask pupils to point to the picture on the page that matches that word. Ask all pupils to point to the next word in the list and whisper read it to themselves. Call on a pupil at random to read the word for the class. Ask all pupils to point to the picture that matches the word.
- Continue the activity to the end of the word list, helping pupils that get stuck.

3. Word building

(10 mins)

Use syllables to build given words

- Tell pupils they will write words using the syllables in the box.
- Say: N tɛhirila bachi shɛli yɛla. Bachi maa n-nyɛ “gala”. Chɛliya ka ti kpahi ti nuhi n-doli di bachijila maa: ga/la.
- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Bachi maa n-nyɛ “gala”. Pumpɔɔ ti sabi bachi maa. Chɛliya ka ti laxim n-karim li. (Pupils read the word.)
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.
- Words: **gaya, gali, guli**

Use syllables to build new words

- Say: Pumpɔŋɔ, m bɔrimi ni yi maŋmaŋa namla bachinima yi toli.
- Ask pupils to use any of the syllables in the pupil book to make another word that they know and write it in their copy books.
- Turn and talk: When pupils are finished, ask them to turn to a pupil next to them to share the word they made.

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “ɔn” and show the “g”.
- Say: Bachikɔbili nɔ vuri nyɛla wula? (pupils respond “g”.)
- Cover the “g” and show the “ɔn”.
- Say: Bachikɔbili nɔ vuri nyɛla wula? (pupils respond “ɔn”.)
- Say: Yi ni tooi laxim n-karim bachikɔba maa, ka zan na laxim n-nam bachijila. Pumpɔnɔ laximmiya karim bachikɔba maa. /g/ /ɔn/, “gɔn”!
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(8 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Wummiya ka yulima! N yen karimla bachijila maa ka zan na layim n-nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Cheliya ka ti zaa layim m-buxisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpoŋo yi mi di ni tu ni yi nin shem. Karimmiya bachi shena nan pahi maa yi bukunima ni kamani ti ni karim ŋo maa shem maa! Karimmiya bachijila maa poi ka naan yi layim na m-boli bachi maa! Zanmiya yi nubih n-dolisi li! (Monitor and help pupils.)

nyuli warigali shɛhiralana

3. Read aloud

(10 mins)

Read the following story aloud (Refer to picture book, page 2)

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments such as when you come to a vocabulary word the pupils just learnt or when you hear a syllable the pupils just practiced.

Review the new letter from the previous day

- Point to the small letter "ɔ" on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter "Ɔ" on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: Bachi dinnima ka yi mi ka /ɔ/ be di puun?

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – Making connections

(8 mins)

Ask comprehension questions

- Call on pupils randomly to answer the following questions:
Question 1: Baandɔyɔ daa niŋ bihi saawara ka naanyi di o nam maa?
Question 2: Bɔ zuɣu ka Baandɔyɔ paya daa bɔri ni o niŋ bihi saawara pɔi ka naan yi di o nam?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Make text-to-self connections

- Say: Ti yi ti karindi lahibali, di ni tooi teei ti binsheli din na mi n-niŋ ti ti biɛhigu ni.
- Say: Pumpɔŋɔ, teemi sakɔyɔ yɛla. So na mi n-zan a chan a ni zɔri so sani? Wula ka a daa niŋ?
- Ask pupils to turn to a partner to share their answers.
- Call on a pupil randomly to share their answer to the question. Discuss their answer with the class. Help the pupils think about how the story relates to their own lives and how they can use their own experiences to understand the story.

6. Writing – Sentence features

(10 mins)

Writing – Full stop

- Write this sentence on the board. Start the sentence with a capital letter and end it with a full stop.

N nya sakɔyɔ mini nɔŋa.

- Ask pupils what they see at the end of the sentence. Explain to pupils that whenever they are reading and they see a full stop (.) it means they must stop. Another sentence may start after it. And they will also notice that the sentence starts with a capital letter.

- Ask pupils to identify a sentence in their Pupil Book. Ask them to point at the capital letter and the fullstop in the sentence they chose. Teacher moves around the class to check if pupils are correct.
- Write two sentences on the board with the name of a character, but write the capital letters in small letters, and do not put a fullstop at the end. Ask pupils to write the sentence in their book. As they write, pupils should capitalize what should be capital letters, and add the full stop.

Standards

The pupils will be able to:

1. Identify and say the target sound, and recognize the letter that represents that sound.
2. Blend letter sounds to read syllables and syllables to read words.
3. Read syllables quickly and accurately.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point at random, quickly, to letters pupils have learnt. Pupils say the sounds of the letters.

G, W, e, g, ɣ, w, E, Y

2. Teach the sound

(4 mins)

Tongue twister—Say the sound

- Say the tongue twister. Pupils repeat.

Pɔɣu ɣoli ɣonda m-pɔhigi bɔɣi mɔɣi.

- Ask pupils what sound they hear most.

Listening game – First sound

- Say each word below. Pupils put a hand up if they hear the sound in the word and on the desk if they do not.

zuya, zɔɣ, mɔri, duu, mɔɣi, sɔɣi, pam, yama

3. Letter and keyword

(2 mins)

Review the letter

- Point to the small letter “ɔ” on the alphabet strip or on the board.
- Say: Bachikɔbili ɔ vuri nyɛla wula?
- Ask pupils to say the sound with you (no more than 2 times).
- Say: Bachikpan' bɔ ka ti bɔhim ni di sɔŋ ti ka ti teei bachikɔbili ɔ vuri?
- Turn and Talk: Ask pupils to turn to a pupil next to them to share the keyword for the letter of the week. They can use the picture on the alphabet strip or in their pupil books to help them. Then, ask one pair to say the keyword aloud for the whole class.
- Ask pupil to say the sound with you again (no more than 2 times).

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Say: Pumpɔŋɔ, chɛliya ka ti zaŋ bachikɔb' shɛŋa ti ni pun bɔhim maa n-karim bachijila m-pahi.
- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “ɔɔm” and show the “g”.
- Say: Bachikɔbili ɔ vuri nyɛla wula? (pupils respond “g”.)
- Cover the “g” and show the “ɔɔm”.
- Say: Bachikɔbili ɔ vuri nyɛla wula? (pupils respond “ɔɔm”.)
- Say: Yi ni tooi layim n-karim bachikɔba vuri maa, ka zaŋ ŋa layim n-nam bachijila. Pumpɔŋɔ, layimmiya karim bachikɔba vuri maa! /g/ /ɔɔm/, “gɔɔm”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(6 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Wummiya ka yulima! N yen karimla bachijila maa ka zaŋ ŋa layim n-nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Chɛliya ka ti zaa layim m-buxisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.

- Say: Pumpɔŋɔ, yi mi di ni tu ni yi niŋ shɛm. Karimmiya bachi shɛŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ŋɔ maa shɛm maa. Karimmiya bachijila maa pɔi ka naan yi layim ŋa m-boli bachi maa. Zaŋmiya yi nubihi n-dolisi li. (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

6. Fluency activity

(10 mins)

Read common words

- Say: Ti yɛn bɔhimla bachikpana biɛla karimbu lahibali din pun gari la yi bukunima maa ni.
- Ask pupils to look at the sentence at the bottom of the page in the pupil book.
- Write the sentence on the board.
- Circle the following common words in the same sentence the pupils just read:

kuyili	din	noli
--------	-----	------

- Point to each common word in the sentence. Ask pupils to read these common words together as a class. Repeat no more than 3 times.

Re-reading for fluency

- Say: Pumpɔŋɔ, chɛliya ka ti karim yɛltɔyili maa zaa. Ti ni karim li bushɛm. M bɔrimi ni yi karim li kamani yi dirila so alizama la.
- Demonstrate reading without emotion (take pauses between words and be boring), and then do it again with more expression (with a natural pace and appropriate emotion – like excitement or sadness).
- Then have pupils follow these steps:
 - 1) Pupils read the sentence with a partner twice.
 - 2) Teacher reads the sentence with the whole class.
 - 3) Pupils try reading with a partner naturally, with more emotion.
- Have pupils rate their own speed and emotion by holding 1, 2, or 3 fingers in the air. (1 – I was excellent, 2 – I was okay, 3 – I need more practice.)

Dagbani Pupil Book

Standards

The pupils will be able to:

1. Apply knowledge of new and previously-learned letters to read a short text independently.
2. Make predictions using a picture.
3. Write a new letter.

1. My language

(3 mins)

Teach a rule of the language

- Say: Ti yi karim bachinima, yeltɔya ni lahibaya ti zuliya yeltɔya ni, zal' shɛna beni ka di tu ni ti doli ḡḡ. Lala zalisi ḡḡ sɔḡdi ti ka ti karindi vienyelinga ka ban ti ni karindi sheli maa. Zungɔ, cheliya ka ti yuli zal' palli!
- Point to the My Language box in the Pupil Book. Ask pupils to point to it in their books.

- Ask pupils to read the My Language lines (a different pupil for each line).
- Say: Bɔ n-woligi yeltɔya ḡḡ zaa ni. Wula ka di taxiri di gbunni? Yeltɔy' dini mini anfooni maa n-kpini taba.
- Call on 1-2 pupils to respond, as appropriate.

2. Vocabulary – Before reading

(5 mins)

Teach and discuss vocabulary

- Write the vocabulary on the board (but not the definitions). Ask pupils what they know about each one.
- Discuss the word meaning, using gestures or illustrations to support understanding. If needed, help pupils understand the word by saying it in another language they know.

bilikɔnsi ḡḡrim

3. Comprehension – Prediction

(5 mins)

Prediction based on picture and title

- Help pupils find the decodable text of the day in their Pupil Books by holding up the page and saying the page number.
- Say: Ti pun wuhiri ti teha zan jendi anfooni maa ni nye sheli. Pumpɔḡḡ, cheliya ka ti wuhi ti teha zan jendi anfooni maa mini lahibali maa yuli ni nye sheli. Tuuli, yulimiya anfooni maa ka karim lahibali maa yuli. Bɔ ka yi tehi ni lahibali ḡḡ ni wuhira?

- Ask a volunteer pupil to read the title aloud, to be sure everyone is following along.
- Give pupils a moment to think, then invite them to share their predictions with a partner. Call on 2 pupils at random and ask for their predictions.

4. Reason to read

(2 mins)

Think about why you want to read the story

- Say: Pumpɔŋɔ, yi ni karim lahibali maa yi toli yi bukunima maa ni. Yi ni tooi karim di bachinima maa dama bachikɔb' shɛŋa di ni zaŋ sabi lala lahibali maa nyɛla ti ni daa pun bɔhim shɛŋa.
- Say: Sakɔɣu yi lu nɔhi tooni, bɔ n-yɛn niŋ?
- Say: Chɛliya ka ti karim n-nya!
- Say: Zaŋmiya yi ni mi binshɛŋa zaŋ kpa bachikɔba mini bachijila polo ka di sɔŋ ya ka yi karim lahibali maa yi toli! Tirimiya bachinima maa ka karinda!

5. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

6. Comprehension – Prediction check

(2 mins)

Check prediction based on picture and title

- Ask pupils to remember their predictions from before they read the story. Give them a moment to think. Ask them to raise their hands if their predictions were what happened in the story.
- Remind the class what the volunteer pupils predicted before they read the story. Ask the pupils if those predictions were what happened.

7. Writing – Letters

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable “**ɔ**” in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “**ɔ**” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “**ɔ**” 5 times.
- If some pupils finish early, tell them to draw a picture of something that begins with the sound /ɔ/.

Read
Aloud

Standards

The pupils will be able to:

1. Use new words correctly in sentences.
2. Use verbal and nonverbal communication appropriately.
3. Answer comprehension questions.

1. Teach the sound

(5 mins)

Teach a rule of the language

- Say: A yi zaŋ bachikɔba vuri layim taba, di sɔŋdi a ka a tooi karinda. M bɔrimi ni yi wum bachikɔbili maa vuri. Ti ni zaŋ bachikɔba vuri layim taba n-nam bachijila, n-zaŋ bachijila maa layim boli di ni nam bachi sheli.

- Give an example
Teachers says: /b/ /i/
Pupils say the first syllable: “bi”
Teachers says: /h/ /i/
Pupils say the second syllable: “hi”
Teacher says the two syllables: bi/hi
Pupils say the word: bihi
- Continue with the rest of the words.

yina, bɔri, kama

2. Vocabulary – Before reading

(5 mins)

Review and discuss vocabulary

- Review the vocabulary words for this story (learnt during the last reading). Say each word and call on 3-4 pupils to say the word meanings.
- Call on pupils to use each word in a sentence.

nyuli warigali shɛhiralana

3. Read aloud reminder

(1 min)

Summarize the first part of the read aloud story

- Ask pupils what they remember about the beginning of the story.
- Remind pupils who the characters are, and what happened in the first part of the story.

4. Read Aloud

(9 mins)

Read the following story aloud (Refer to picture book, page 2)

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments. If pupils struggled with one of the new vocabulary words, pause to discuss its meaning in the story. If pupils are struggling with a new sound learnt this week, pause to point out the sound in a few different words.

- Ask pupils to turn to a partner to share their answers.
- Call on a pupil randomly to share their answer to the question. Discuss their answer with the class. Help the pupils think about how the story relates to their own lives and how they can use their own experiences to understand the story.

6. Writing – Creative writing

(10 mins)

Speaking for writing

- Tell pupils a make-up story with 2 characters who have a problem or are on an adventure. Ensure the story fits your pupil's interests and is not too scary.
- Start to narrate the made-up story but after few sentences stop.
- Ask pupils to close their eyes for a few seconds and think about what might happen next in the story.
- Think-pair-share; In pairs, ask pupils to share with their partner what they think will happen next.
- Call on 2-3 pupils to share their suggestions.

Writing what's next

- Remind pupils that each of them has a different idea of what might happen next in the story.
- Ask pupils to draw their idea of what happens next in their books. After 1-2 minutes, ask them to write a sentence about their drawing.
- Move around and support pupils. Encourage them to write, even if they don't the correct spelling. Remind them to use letter sounds to form syllables then use the syllable to spell words as they write their sentence.

Dagbani Pupil Book 47

Standard

The pupils will be able to:

1. Read text with fluency.

1. Assessment: Before the lesson

Prepare for the assessment

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title “letters”, “syllables” and “individual score”.
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.
- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Tuun' bɔ ka Tɔha mini Kusumbule lee tumdi salinli ɔɔ ni?
- Cheliya ka ti karim lahibali maa n-nya din layim ba!
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.

- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list. Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Comprehension

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
Question 1: Ŋuni n-daa barigiri Tɔha tɔŋ maa?
Question 2: Di yi daa nyɛ nyini n-nyɛ Tɔha, bɔ ka a daa yɛn niŋ Kusumbule?
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Standards

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Reinforcement activities

(15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: “letter sounds” or “syllable blending”.

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Calls on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt.
*TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi ṅɔ gbunni lee nyela wula?

- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Bachi maa n-nyɛ “tama”. Pumpɔṅɔ ti sabi bachi maa. Chɛliya ka ti laxim n-karim li. (Pupils read the word.)
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.

Words: **sama**, **kɔɣu**, **dɔɣu**

Use syllables to build new words

Question 1: Bɔ ka Zambana daa zahim zahinli ka be ti o?

Question 2: A tɛhiya ni Zambana ni daa yirigi neegi o gom maa ni ka gɔyili daa shiri be o nuu ni, wula ka o daa yen nin?

After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Make text-to-self connections

- Say: Ti yi ti karindi lahibali, di ni tooi teei ti binsheli din na mi n-nin ti ti biɛhigu ni.

- Write the same sentence underneath the first sentence on the board this time with a question mark (?).

Zaabia daa kuli soorimi?

- In pairs, ask pupils to discuss in a minute what is different about the second sentence. [Possible answers – “It has a different sign at the end, you read it differently, as if you’re asking a question”, “Your voice goes up at the end.”, etc.]
- Explain to the pupils that anytime they see the (?) at the end of a sentence, it is a question and you read it as if you’re asking a question. Your voice goes up at the end of the sentence.
- Think-pair-share. In pairs, pupils ask each other Ya polo ka a sa chan schila?
- Call on 2-3 pupils at random to ask the question in a natural speaking voice.
- Ask pupils to locate and read one question in their Pupil Book.

3. Comprehension – Prediction

(5 mins)

Prediction based on picture and title

- Help pupils find the decodable text of the day in their Pupil Books by holding up the page and saying the page number.
- Say: Ti pun wuhiri ti teha zaɗ jendi anfooni maa ni nye sheli. Pumpɔɗo, cheliya ka ti wuhi ti teha zaɗ jendi anfooni maa mini lahibali maa yuli ni nye sheli. Tuuli, yulimiya anfooni maa ka karim lahibali maa yuli! Bo ka yi tehi ni lahibali ɗo ni wuhira?

- Ask a volunteer pupil to read the title aloud, to be sure everyone is following along.
- Give pupils a moment to think, then invite them to share their predictions with a partner. Call on 2 pupils at random and ask for their predictions.

4. Reason to read

(2 mins)

Think about why you want to read the story

- Say: Pumpɔŋɔ, yi ni karim lahibali maa yi toli yi bukunima maa ni. Yi ni tooi karim di bachinima maa dama bachikɔb' shɛŋa di ni zaŋ sabi lala lahibali maa nyɛla ti ni daa pun bɔhim shɛŋa.
- Say: Bɔ n-che ka bihi maa suhuri paligi? Chɛliya ka ti karim lahibali maa n-nya din beni.
- Say: Zaŋmiya yi ni mi binshɛŋa zaŋ kpa bachikɔba mini bachijila polo ka di sɔŋ ya ka yi karim lahibali maa yi toli! Tirimiya bachinima maa ka karinda!

5. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

6. Comprehension – Prediction check

(2 mins)

Check prediction based on picture and title

- Ask pupils to remember their predictions from before they read the story. Give them a moment to think. Ask them to raise their hands if their predictions were what happened in the story.
- Remind the class what the volunteer pupils predicted before they read the story. Ask the pupils if those predictions were what happened.

7. Writing – Letters

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable “zu” in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “z” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “z” 5 times.
- If some pupils finish early, tell them to draw a picture of something that begins with the sound /z/.

2. Vocabulary – Before reading

(4 mins)

Review and discuss vocabulary

- Review the vocabulary words for this story (learnt during the last reading). Say each word and call on 3-4 pupils to say the word meanings.
- Call on pupils to use each word in a sentence.

yugumpini guuri biɛlabiɛla ɲumdi

3. Read aloud reminder

(1 min)

Summarize the first part of the read aloud story

- Ask pupils what they remember about the beginning of the story.
- Remind pupils who the characters are, and what happened in the first part of the story.

4. Read aloud

(10 mins)

Read the following story aloud (Refer to picture book, page 3)

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments. If pupils struggled with one of the new vocabulary words, pause to discuss its meaning in the story. If pupils are struggling with a new sound learnt this week, pause to point out the sound in a few different words.

5. Comprehension – After reading

(10 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
 - Question 1: Kpakpuli daa yeliya ni o valimma? (ANSWER: Aayi.)
 - Question 2: Wula zuḡu ka Suma yen nye binyahiri ayi din nye kɔḡkɔba? (ANSWER: Dama biḡkɔbiri maa zaa malila bɛ ni mali nin’ sheli yuuni binyahiri.)
 - Question 3: A tɛhiya ni niriba gba ni tooi lihiri binyahiri ka di be kɔḡkɔba ka che taba? (open answer) Kamani soya wula? (open answer)
- After each response, congratulate, help, or correct the pupil’s answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Retell

- Ask for a volunteer pupil to say what happened in the story. Encourage the pupil to use their own words. As applicable, remind them to mention the character, setting and events.

Standards

The pupils will be able to:

1. Use letter knowledge, syllable reading and blending skills to read a decodable text with increased fluency.
2. Ask and answer factual and inferential questions
3. Make a connection between a story and personal experience.
4. Use drawing and writing to respond to a story.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

P, g, ʏ, p, ɔ, ɣ, G, ɔ

2. New letter review

(2 mins)

Review the new letter of the week

- Point to the small letter “z” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter “Z” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: *Bachi bɔ nima ka yi mi ka di piligiri ni vuri /z/?*

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – Making connections

(8 mins)

Ask comprehension questions

- Call on pupils randomly to answer the following questions:
Question 1: Banima zosimli n-lee mali yaa pam lahibali maa ni?
Question 2: Be yi daa bi zaŋ Gaani gba tahi Tamali ni o ti karim, bo ka o daa yen niŋ?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Make text-to-self connections

- Say: Ti yi ti karim lahibali, di ni tooi teei ti binsheli din na mi n-niŋ ti biehiŋu ni.
- Say: Pumpoŋo, teemi Gaani yela. A mini a zosimo mi n-woligi taba ka ti lahi nya taba yaha?
- Ask pupils to turn to a partner to share their answers.
- Call on a pupil randomly to share their answer to the question. Discuss their answer with the class. Help the pupils think about how the story relates to their own lives and how they can use their own experiences to understand the story.

6. Writing – Creative writing

(10 mins)

Speaking for writing

- Ask pupils to tell you what they remember about question marks.
- Based on pupils' responses, explain to pupils that anytime they see (?) at the end of a sentence, it is a question and you read it as if you're asking a question. Your voice goes up at the end of the sentence.
- Say: Ti yi pa yen bohimmi jendi ti zonima zuŋo ka bohi ba ka be yeli ti binshena ti ni boŋi ni ti mi zaŋ kpa be polo. Ti yen sabila bohisi m-bohi ti zonima.
- Tell pupils that their sentences will start with question words: **What? Where?**
- Remind pupils that we use capital letters to begin sentences and question sentences must end with a question mark (?).

Writing

- Demonstrate writing a sentence on the board with the pupils: Bindir' bo ka a yuri pam?
- Ask pupils to think briefly about one thing they want to find out about their partner.
- In their books, pupils write down their question.
- Move around and support pupils. Encourage them to write, even if they don't know the correct spelling. Remind them to use letter sounds to form syllables then use the syllable to spell words as they write their sentences.
- In pairs pupils ask each other their question. The other partner should give an answer to the question.

Dagbani Pupil Book 53

Standard

The pupils will be able to:

1. Read text with fluency.

1. Assessment: Before the lesson

Prepare for the assessment

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title “letters”, “syllables” and “individual score”.
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.
- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Yi kpahimbu puuni, bɔ ka lahibali ɲɔ yɛn jendi? Chɛliya ka ti karim li nya din beni!
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.

- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list. Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Comprehension- Ask comprehension questions

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
Question 1: Bɔ zuɣu ka Gaani pa Ziina zo?
Question 2: Bia yi garigiri ninkura alizama yirin, bɔ ka di wuhira?
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Standards

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Reinforcement activities

(15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: “letter sounds” or “syllable blending”.

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Calls on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt.
*TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi nɔ gbunni lee nyɛla wula?
- Ask for a volunteer to tell say the meaning of the word. Then, ask pupils to point to the picture on the page that matches that word. Ask all pupils to point to the next word in the list and whisper read it to themselves. Call on a pupil at random to read the word for the class. Ask all pupils to point to the picture that matches the word.
- Continue the activity to the end of the word list, helping pupils that get stuck.

3. Word building

(10 mins)

Use syllables to build given words

- Tell pupils they will write words using the syllables in the box.
- Say: N tɛhirila bachi shɛli yɛla. Bachi maa n-nyɛ “**zahir**”. Chɛliya ka ti kpahi ti nuhi n-doli di bachijila maa: **za /him**!
- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Bachi maa n-nyɛ “**zahir**”. Pumpɔɔ ti sabi bachi maa. Chɛliya ka ti layim n-karim li! (Pupils read the word.)
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.

Words: **zani, gali, zuli**

Use syllables to build given words

- Say: Pumpɔɔ, m bɔri ni yi maɲmaɲa namla bachinima yi toli.
- Ask pupils to use any of the syllables in the pupil book to make another word that they know and write it in their copy books.
- Turn and talk: When pupils are finished, ask them to turn to a pupil next to them to share the word they made.

- Point to the small letter “v” on the alphabet strip or on the board again.
- Say: Saha pam ti ni nya li bachinima ni ka di nyɛla ɔɔ.

Keyword picture study

- Say: Bɔ ka yi nya?
- Call on 1-2 pupils to name what they see in the picture.
- Say the keyword. Touch the letter of the day in the keyword in the pupil book. Say the sound.

- Point to the keyword.
- Say: Bachi maa n-nye “viyu”.
- Point to the syllable (under the keyword). Read it and show pupils how the syllable is part of the keyword.
- Point to the letter (under the syllable). Read it and show pupils how the letter is part of the syllable.

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “a” and show the “v”.
- Say: Bachikɔbili ɲɔ vuri nyɛla wula? (Pupils respond “v”.)
- Cover the “v” and show the “a”.
- Say: Bachikɔbili ɲɔ vuri nyɛla wula? (Pupils respond “a”.)
- Say: Yi ni tooi laxim n-karim bachikɔba maa, ka zan ɲa laxim n-nam bachijila. Pumpɔɲɔ, laximmiya karim bachikɔba maa! /v/ /a/, “va”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(8 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Wummiya ka yulima! N yen karimla bachijila maa ka zan ɲa laxim n-nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.

- Say: Cheliya ka ti zaa layim m-buyisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpoŋo yi mi di ni tu ni yi niŋ shem. Karimmiya bachi sheŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ŋo maa shem maa! Karimmiya bachijila maa pɔi ka naan yi layim ŋa m-boli bachi maa! Zanmiya yi nubih n-dolisi li. (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

2. Ask and answer factual and inferential questions
3. Make a connection between a story and personal experience.
4. Make a list of objects found in the local environment.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

Z, W, ɔ, G, w, ɔ, z, g

2. New letter review

(2 mins)

Review the new letter from the previous day

- Point to the small letter “v” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter “V” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: Bachi bɔnima ka yi mi ka di piligiri ni vuri /v/.

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – Making connections

(8 mins)

Ask comprehension questions

- Call on a pupil randomly to answer the following question:
Question 1: Paana mini nuni n-daa tuhi taba soli?
Question 2: Nuni n-daa lee pili zabili maa?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Make text-to-self connections

- Say: Ti yi ti karim lahibali, di ni tooi teei ti binsheli din na mi n-ni ti biehigu ni.
- Say: Pumpoɔ, teemi ni zabili lu be sunsuuni. Zabili na mi n-lu a mini so sunsuuni?
- Ask pupils to turn to a partner to share their answers.
- Call on a pupil randomly to share their answer to the question. Discuss their answer with the class. Help the pupils think about how the story relates to their own lives and how they can use their own experiences to understand the story.

6. Writing – Sentence features

(10 mins)

Writing – Exclamation mark

- Write this sentence on the board. End the sentence with a full stop (.).

Binpum vielli m-bɔŋɔ! Zaŋmi m buku n-ti ma! N di yuya ni m mali tuzopaxa!

- Ask pupils to read with you in the same voice.
- Tell the pupils that you read a word or sentence like that when (!) is written at the end of it.
- Explain that when the exclamation mark (!) is used at the end of a sentence or word, a strong emotion is expressed. This is like when you are scared, angry, excited or when something is being said loudly; your voice gets louder and stronger.
- Write the following sentence on the board.

Mɔɣili maa kperi yom! N chanila shikuru. N ku tooi guhi ni n ti ye n liiga palli ŋɔ!

- Read the sentences aloud, making sure to let the students hear the emotion in each.
- Pair-and-share. After each sentence, pupils think in pairs for a moment, then share with the rest of the class, if the sentences are exclamatory type sentences or not.
- Call on 2-3 pupils to give exclamatory sentences. The class should agree whether it is exclamatory or not.

- Ask pupil to say the sound with you again (no more than 2 times).

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Say: Pumpɔɔ, chɛliya ka ti zaɔ bachikɔb' shɛɔ ti ni pun bɔhim maa n-karim bachijila pahi
- Write the Box #2 syllable column on the board.

- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Wummiya ka yulima! N yen karimla bachijila maa ka layim na nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Cheliya ka ti layim karim li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpoŋo yi mi di ni tu ni yi niŋ shem. Karimmiya bachi shena nan pahi maa yi bukunima ni kamani ti ni karim ŋo maa shem maa! Karimmiya bachijila maa poi ka naan yi layim na boli bachi maa. Zanmiya yi nubihi n-dolisiri li! (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

6. Fluency activity

(10 mins)

Read common words

- Say: Ti yen bohimla bachikpana biela karimbu lahibali sheli din pun gari la yi bukunima maa ni.
- Ask pupils to look at the sentence at the bottom of the page in the pupil book.

Re-reading for fluency

- Say: Pumpoŋo, cheliya ka ti karim yeltɔyili maa zaa! Ti ni karim li bushem. M bɔrimi ni yi karim li kamani yi dirila so alizama la.
- Demonstrate reading without emotion (take pauses between words and be boring), and then do it again with more expression (with a natural pace and appropriate emotion – like excitement or sadness.)
- Then have pupils follow these steps:
 - 1) Pupils read the sentence with a partner twice.
 - 2) Teacher reads the sentence with the whole class.
 - 3) Pupils try reading with a partner naturally, with more emotion.
- Have pupils rate their own speed and emotion by holding 1, 2, or 3 fingers in the air. (1 – I was excellent, 2 – I was okay, 3 – I need more practice.)

- Say: Bachi bo nima ka yi mi ka di piligiri ni vuri /v/.

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – Making connections

(8 mins)

Ask comprehension questions

- Call on pupils randomly to answer the following questions:
Question 1: Ŋuni ka kundun paya daa lee luhi?
Question 2: Kundun daa yo o paya samli maa?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Make text-to-self connections

- Say: Ti yi ti karim lahibali, di ni tooi tee ti binsheli din na min niŋ ti biɛhigu ni.
- Say: Pumpɔŋɔ, teemi kundun yɛla. A na mi m-mali tahima ni a niŋ binsheli ka di ti nyan a?
- Ask pupils to turn to a partner to share their answers.
- Call on a pupil randomly to share their answer to the question. Discuss their answer with the class. Help the pupils think about how the story relates to their own lives and how they can use their own experiences to understand the story.

6. Writing – Creative writing

(10 mins)

Speaking for writing

- Ask pupils to tell you what they remember about question marks.
- Based on pupils' responses, explain to pupils that anytime they see (?) at the end of a sentence, it is a question and you read it as if you're asking a question. Your voice goes up at the end of the sentence.
- Say: Zuŋɔ ti yɛn bɔhimmi zaŋ kpa ti zonima polo ka di nyɛla ti yɛn bɔhi ba mi ti ni bɔri ni ti baŋ binshɛŋa zaŋ kpa bɛ polo. Ti yɛn sabila bɔhisi n-zaŋ bɔhi ti zonima.
- Tell pupils that their sentences will start with question words: **Bɔ? Ŋuni? Ya? Dini? Wula? Bɔ saha? Wula zuɣu?**
- Remind pupils that we use capital letters to begin sentences and question sentences must end with a question mark (?).

Writing

- Demonstrate writing a sentence on the board with the pupils: Ya ka a lee yina?
- Ask pupils to think briefly about one thing they want to find out about their partner.
- In their books, pupils write down their question.
- Move around and support pupils. Encourage them to write, even if they don't know the correct spelling. Remind them to use letter sounds to form syllables then use the syllable to spell words as they write their sentences.
- In pairs pupils ask each other their question. The other partner should give an answer to the question.

Dagbani Pupil Book 59

Standard

The pupils will be able to:

1. Read text with fluency.

1. Assessment: Before the lesson

Prepare for the assessment

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title “letters”, “syllables” and “individual score”.
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.
- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Ba n-che ka o dayidayi lala? Cheliya ka ti karim lahibali maa n-nya.
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list. Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Comprehension- Ask comprehension questions

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
Question 1: Bɔ n-yihi Danaa karɪnduu?
Question 2: Banima n-daa lee saɣisi Danaa ka o zaɣisi?
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Standards

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Reinforcement activities

(15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: “letter sounds” or “syllable blending”.

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Calls on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt.
**TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.*

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi nɔ gbunni nyɛla wula?
- Ask for a volunteer to tell say the meaning of the word. Then, ask pupils to point to the picture on the page that matches that word. Ask all pupils to point to the next word in the list and whisper read it to themselves. Call on a pupil at random to read the word for the class. Ask all pupils to point to the picture that matches the word.
- Continue the activity to the end of the word list, helping pupils that get stuck.

3. Word building

(10 mins)

Use syllables to build given words

- Tell pupils they will write words using the syllables in the box.
- Say: N tɛhirila bachi shɛli yɛla. Bachi maa n-nyɛ “karɪŋ”. Chɛliya ka ti kpahi ti nuhi n-doli di bachijila maa! ka/rɪŋ.
- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Bachi maa n-nyɛ “karɪŋ”. Pumpɔŋɔ ti ni sabi bachi maa. Chɛliya ka ti layim n-karim li (Pupils read the word.)
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.

Words: **sunsuuni, kani, kura**

Use syllables to build given words

- Say: Pumpɔŋɔ, m bɔri ni yi maŋmaŋa namla bachinima yi toli.
- Ask pupils to use any of the syllables in the pupil book to make another word that they know and write it in their copy books.
- Turn and talk: When pupils are finished, ask them to turn to a pupil next to them to share the word they made.

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “a” and show the “f”.
- Say: Bachikɔbili ɲɔ vuri nyɛla wula? (Pupils respond “f”.)
- Cover the “f” and show the “a”.
- Say: Bachikɔbili ɲɔ vuri nyɛla wula? (Pupils respond “a”.)
- Say: Yi ni tooi laxim n-karim bachikɔba maa, ka zan ɲa laxim n-nam bachijila. Pumpɔɲɔ, laximmiya karim bachikɔba maa. /f/ /a/, “fa”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Wummiya ka yuli ma! N yen karimla bachijila maa ka zan na layim n-nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Cheliya ka ti zaa layim m-buyisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: : Pumpoŋɔ, yi mi di ni tu ni yi nin shem. Karimmiya bachi shenɔ nan pahi maa yi bukunima ni kamani ti ni karim ɔɔ maa shem maa! Karimmiya bachijila maa pɔi ka naan yi layim na m-boli bachi maa! Zangmiya yi nubihɔ n-dolisi li! (Monitor and help pupils.)

feeya yayiya

3. Comprehension – Prediction

(5 mins)

Prediction based on picture and title

- Help pupils find the decodable text of the day in their Pupil Books by holding up the page and saying the page number.
- Say: Ti pun wuhiri ti teha zan jendi anfooni maa ni nye sheli! Pumpɔɔ, chɛliya ka ti wuhi ti teha zan jendi anfooni maa mini lahibali maa yuli ni nye sheli. Tuuli, yulimiya anfooni maa, ka karim lahibali maa yuli. Bɔ ka yi tehi ni lahibali ɔ ni wuhira?
- Ask a volunteer pupil to read the title aloud, to be sure everyone is following along.
- Give pupils a moment to think, then invite them to share their predictions with a partner. Call on 2 pupils at random and ask for their predictions.

4. Reason to read

(2 mins)

Think about why you want to read the story

- Say: Pumpɔɔ yi ni karim lahibali maa yi toli yi bukunima maa ni. Yi ni tooi karim bachinima maa dama bachikɔb' shɛɛa di ni zan sabi lala lahibali maa nyɛla ti ni daa pun bɔhim shɛɛa.

5. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. Do NOT read it aloud for them. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

6. Comprehension – Prediction check

(2 mins)

Check prediction based on picture and title

- Ask pupils to remember the predictions they made before they read the story. Give them a moment to think. Ask them to raise their hands if their predictions were what happened in the story.

- Remind the class what the volunteer pupils predicted before they read the story. Ask the pupils if those predictions were what happened.

7. Writing – Letters

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable “fu” in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “f” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “f” 5 times.
- If some pupils finish early, tell them to draw a picture of something that begins with the sound /f/.

- Continue to try each syllable in the box on the board until you find the one that makes a real word. Then read the original word and the new word again, showing pupils how they share the first syllable.
- Quickly mention the meaning of the word. For pupils who do not speak the language of instruction, translate it to their familiar language.
- Write the next word and syllable options on the board. Ask a volunteer to come up and do the activity for the class. Encourage and help the pupil to find the correct response.
- Write the last word and syllable options on the board. Give the pupils 2 minutes to make a new word at their desks alone or with a partner.

(10 mins)

Read the following story aloud (Refer to picture book, page 5)

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments such as when you come to a vocabulary word the pupils just learnt or when you hear a syllable the pupils just practiced.

- Draw a Venn Diagram on the board:

- Encourage pupils to compare how they are the same and how they are different by describing the physical looks, how they are used, where you ride them etc.
- Write the pupils' contributions in the circle that is specific to each vehicle and write what is the same in the intersection.
- Tell pupils that the Venn Diagram helps to organise information visually so they are able to see the similarities and differences between.
- Consider creating a poster to showcase pupils' work on this Venn Diagram, and remind pupils how to use a Venn Diagram.

Question 2: Firigima nyela bindir sheli din simdi ni niriba di?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Make text-to-self connections

- Say: Ti yi ti karindi lahibali, di ni tooi teei ti binsheli din na mi n-niŋ ti ti biɛhigu ni.

- Ask pupils to turn to a partner to share their answers.
- Call on a pupil randomly to share their answer to the question. Discuss their answer with the class. Help the pupils think about how the story relates to their own lives and how they can use their own experiences to understand the story.

6. Writing – Sentence features

(10 mins)

Writing – Quotation marks

- Call on one pupil to make a statement.
- Write what the pupil says on the board with quotation marks. For example, Fahida yeliya, “Nindoo nyela n zo.”
- Read the sentence once in the same voice that the pupil used and ask the pupils to read after you.
- Circle the quotation mark. Anytime you see (“ ”) when you are reading, it means something has been said by someone or a character.
- Say: Soyɛligubia wuhirila so ni kuli yeli sheli dede. Di bela dilana ŋɔ yeltɔyili maa tooni mini di nyaana ka wuhiri dilana maa ni yeli shem maa dede.
- Write another statement by a pupil on the board. Work with pupils to insert quotation marks and the name of the pupil who said it. (Example as above.)
- Copy one direct speech sentence from the Pupil Book unto the board.
- Pupils copy the sentence into their books and circle the quotation marks.

Standards

The pupils will be able to:

1. Identify and say the target sound, and recognize the letter that represents that sound.
2. Blend letter sounds to read syllables and syllables to read words.
3. Read syllables quickly and accurately.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point at random, quickly, to letters pupils have learnt. Pupils say the sounds of the letters.

G, v, z, ɔ, V, ɔ, Z, g

2. Teach the sound

(4 mins)

Tongue twister—Say the sound

- Say the tongue twister. Pupils repeat.

Fuo Fuleera fa Fati fula

- Ask pupils what sound they hear most.

Listening game – First sound

- Say each word below. Pupils put a hand up if they hear the sound at the beginning of the word and on the desk if they do not.

fara, faa, moongu, fasara, fali, luɲa, halli, furila

3. Letter and keyword

(2 mins)

Review the letter

- Point to the small letter “f” on the alphabet strip or on the board.
- Say: Bachikɔbili maa vuri nyɛla wula?
- Ask pupils to say the sound with you (no more than 2 times).
- Say: Bachikpan bɔ ka ti bɔhim ni di sɔɲ ti ka ti teeɪ bachikɔbili ɲɔ vuri?
- Turn and Talk: Ask pupils to turn to a pupil next to them to share the keyword for the letter of the week. They can use the picture on the alphabet strip or in their pupil books to help them. Then, ask one pair to say the keyword aloud for the whole class.
- Ask pupil to say the sound with you again (no more than 2 times).

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Say: Pumpɔŋɔ, chɛliya ka ti zaŋ bachikɔb' shɛŋa ti ni pun bɔhim maa n-karim bachijila.
- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “oo” and show the “f”.
- Say: Bachikɔbili ŋɔ vuri nyɛla wula? (Pupils respond “f”.)
- Cover the “f” and show the “oo”.
- Say: Bachikɔbili ŋɔ vuri nyɛla wula? (Pupils respond “oo”.)
- Say: Yi ni tooi laxim karim bachikɔba vuri maa, ka zaŋ ŋa laxim n-nam bachijila. Pumpɔŋɔ laximmiya karim bachikɔba vuri maa! /f/ /oo/, “foo”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(6 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Wummiya ka lihim! N yɛn karimla bachijila maa ka laxim ŋa nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Chɛliya ka ti laxim karim li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpɔŋɔ yi mi di ni tu ni yi niŋ shɛm. Karimmiya bachi shɛŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ŋɔ maa shɛm maa! Karimmiya bachijila maa pɔi ka naan yi laxim ŋa m-boli bachi maa. Zaŋmiya yi nubihi n-dolisi li. (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

6. Fluency activity

(10 mins)

Read common words

- Say: Ti yɛn bɔhimla bachikpana biɛla karimbu yi lahibali din pun gari la yi bukunima maa ni.
- Ask pupils to look at the sentence at the bottom of the page in the pupil book.
- Write the sentence on the board.

- Circle the following common words in the same sentence the pupils just read:

kum bindira feeya

- Point to each common word in the sentence. Ask pupils to read these common words together as a class. Repeat no more than 3 times.

Re-reading for fluency

- Say: Pumpɔŋɔ, chɛliya ka ti karim yɛltɔyili maa zaa! Ti ni karim li bushɛm. M bɔrimi ni yi karim li kamani yi dirila so alizama la.
- Demonstrate reading without emotion (take pauses between words and be boring), and then do it again with more expression (with a natural pace and appropriate emotion - like excitement or sadness.)
- Then have pupils follow these steps:
 - 1) Pupils read the sentence with a partner twice.
 - 2) Teacher reads the sentence with the whole class.
 - 3) Pupils try reading with a partner naturally, with more emotion.
- Have pupils rate their own speed and emotion by holding 1, 2, or 3 fingers in the air. (1 – I was excellent, 2 – I was okay, 3 – I need more practice.)

Standards

The pupils will be able to:

1. Apply knowledge of new and previously-learned letters to read a short text independently.
2. Make predictions using a picture.
3. Write a new letter.

1. My language

(3 mins)

Teach a rule of the language

- Say: Ti yi karim bachinima, yɛltɔya, ni lahibaya ti zuliya yɛltɔya ni, zal' shɛŋa beni ka di tu ni ti doli ŋa. Lala zalisi ŋɔ sɔŋdi ti ka ti karindi vienyɛlinga ka ban ti ni karindi sheli maa. Zungɔ, chɛliya ka ti yuli zal' palli!
- Point to the My Language box in the Pupil Book. Ask pupils to point to it in their books.

- Ask pupils to read the My Language lines (a different pupil for each line).

- Say: Ti karimmiya bachinima ɲɔ. Bɔ n-lee nyɛ zaɣ' yinsi bachinima maa naabu ni? Bachi dini n-lee kpini anfooni maa?
- Call on 1-2 pupils to respond, as appropriate.

2. Vocabulary – Before reading

(5 mins)

Teach and discuss vocabulary

- Write the vocabulary on the board (but not the definitions). Ask pupils what they know about each one.
- Discuss the word meaning, using gestures or illustrations to support understanding. If needed, help pupils understand the word by saying it in another language they know.

fombilim nahim

3. Comprehension – Prediction

(5 mins)

Prediction based on picture and title

- Help pupils find the decodable text of the day in their Pupil Books by holding up the page and saying the page number.
- Say: Ti pun wuhiri ti teha zaɲ jendi anfooni maa ni nyɛ shɛli! Pumpɔɲɔ, chɛliya ka ti wuhi ti teha zaɲ jendi anfooni maa mini lahibali maa yuli ni nyɛ shɛli. Tuuli, yulimiya anfooni maa, ka karim lahibali maa yuli! Bɔ ka yi tehi ni lahibali ɲɔ ni wuhira?
- Ask a volunteer pupil to read the title aloud, to be sure everyone is following along.
- Give pupils a moment to think, then invite them to share their predictions with a partner. Call on 2 pupils at random and ask for their predictions.

4. Reason to read

(2 mins)

Think about why you want to read the story

- Say: Pumpɔɲɔ yi ni karim lahibali maa yi toli yi bukunima maa ni. Yi ni tooi karim bachinima maa dama bachikɔb' shɛɲa di ni zaɲ sabi lala lahibali maa nyɛla ti ni daa pun bɔhim shɛɲa.
- Say: Wula zuɣu ka so daa bi zo do' so ɲun kuhiri maa kuɲa? Ti karimmiya salinli ɲɔ n-nya!
- Say: Zaɲmiya yi ni mi binshɛɲa zaɲ kpa bachikɔba mini bachijila polo ka di sɔɲ ya ka yi karim lahibali maa yi toli! Tirimiya bachinima maa ka karinda!

5. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

6. Comprehension – Prediction check

(2 mins)

Check prediction based on picture and title

- Ask pupils to remember their predictions from before they read the story. Give them a moment to think. Ask them to raise their hands if their predictions were what happened in the story.
- Remind the class what the volunteer pupils predicted before they read the story. Ask the pupils if those predictions were what happened.

7. Writing – Letters

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable “fu” in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “f” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “f” 5 times.
- If some pupils finish early, tell them to draw a picture of something that begins with the sound /f/.

Dagbani—Lesson 97

Teacher Read Aloud: Second Reading

Read

Standards

The pupils will be able to:

1. Use new words correctly in sentences.
2. Use verbal and nonverbal communication appropriately.
3. Answer comprehension questions.

1. Teach the sound

(5 mins)

Listening game – Make a new word

- Write the first word on the board. Next to it, write the syllable choices and put a box around them.
- Say: Bachinima mali bachikɔba vuri mini bachijila.
Nira yi nya bachi yaya ɲɔ ni ɲmani taba shem, di ni
sɔŋ ti ti yi ti be muyisigu ni.
- Point to the board.

- Say: N yɛn karimla bachi. M bɔri ni yi yihi di yay' shɛli bahi ka pahi bachijil' shɛli di puuni ka di nam bachijil' palli. Bachi maa n-nyɛ “duyu”. Tuuli bachijilli maa n-nyɛ “du”. N ni zaŋ li laɣim tuuli bachijil' shɛli din pa dukpinisabirili ŋɔ zuɣu. Ti ni nam bachi shɛli maa mali gbunni? (Answer: Aayi.)
- Continue to try each syllable in the box on the board until you find the one that makes a real word. Then read the original word and the new word again, showing pupils how they share the first syllable.
- Quickly mention the meaning of the word. For pupils who do not speak the language of instruction, translate it to their familiar language.
- Write the next word and syllable options on the board. Ask a volunteer to come up and do the activity for the class. Encourage and help the pupil to find the correct response.
- Write the last word and syllable options on the board. Give the pupils 2 minutes to make a new word at their desks alone or with a partner.

2. Vocabulary – Before reading

(5 mins)

Review and discuss vocabulary

- Review the vocabulary words for this story (learnt during the last reading). Say each word and call on 3-4 pupils to say the word meanings.
- Call on pupils to use each word in a sentence.

tirafiki	mangbubbu	ne

3. Read aloud

(10 mins)

Read the following story aloud again (Refer to picture book, page 5)

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments. If pupils struggled with one of the new vocabulary words, pause to discuss its meaning in the story. If pupils are struggling with a new sound learnt this week, pause to point out the sound in a few different words.

4. Comprehension – After reading

(10 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
 - Question 1: A yi du palli na, a yuuna, a wumda bee di zaa? (ANSWER: Yulimi ka wum.)
 - Question 2: Bɔ n-ni tooi niŋ a yi kari a bolli du palli? (ANSWER: Looi bee cheche ni tooi ŋme a.)
 - Question 3: Ya n-lee simdi ni a ŋme bolli? (open answer)
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Retell

- Ask for a volunteer pupil to say what happened in the story. Encourage the pupil to use their own words. As applicable, remind them to mention the character, setting and events.

Standards

The pupils will be able to:

1. Use letter knowledge, syllable reading and blending skills to read a decodable text with increased fluency.
2. Ask and answer factual and inferential questions
3. Make a connection between a story and personal experience.
4. Use drawing and writing to respond to a story.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

G, v, z, ɔ, V, ɔ, Z, g

2. New letter review

(2 mins)

Review the new letter of the week

- Point to the small letter "f" on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter "F" on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: Bachi dinnima ka yi mi ka /f/ piligiri li?

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – Making connections

(8 mins)

Ask comprehension questions

- Call on pupils randomly to answer the following questions:
Question 1: Bɔ zuɣu ka so daa bi fa Afa Yisifu m-bahi Saha sheli o ni daa bɔri sɔɔsim?
Question 2: Wula n-nyɛ a tɛha zaɲ kpa fombilim polo?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Make text-to-self connections

- Say: Ti yi ti karindi lahibali, di ni tooi teei ti binsheli din na mi n-niɲ ti ti biɛhigu ni.
- Say: Pumpɔɲɔ, teemiya Yisifu yɛla. Di yi daa nyɛ nyini n-nyɛ Yisifu, wula ka a daa yɛn niɲ?
- Ask pupils to turn to a partner to share their answers.
- Call on a pupil randomly to share their answer to the question. Discuss their answer with the class. Help the pupils think about how the story relates to their own lives and how they can use their own experiences to understand the story.

6. Writing – Creative writing

(10 mins)

Speaking for writing

- Write a simple sentence on the board. Read the sentence aloud twice. (i.e. Baa maa karimi doli jaɲkuno maa.)
- Say: Ti tɛhimi zaɲ kpa ti ni yɛn niɲ shɛm ka yɛltɔyili ɲɔ karimbu nyayisa. Pumpɔɲɔ chɛliya ka ti pɔbi ti nina ka tɛhi ti ni ni tooi nya binsheli.
- Ask pupils to visualize the dog chasing the cat in their minds. After a few seconds, ask pupils to open their eyes.
- In pairs ask pupils to describe the dog and the cat they saw in their minds to their partner.
- Call 3 pupils to describe the dog and the cat. Write the descriptive words on the board.
- Choose two descriptive words from the list the pupils gave to make the sentence more interesting. (i.e. Ba' jee maa karimi doli jaɲkun' karili maa.)
- Read the new sentence to the pupils and ask them what is different about the first sentence and the new one.
- Explain that descriptive words provide more information and make our sentences more interesting to read.

Writing

- Write the sentence again with blank spaces (i.e. Ba' ____ maa karimi doli jaɲkun' ____ maa.)
- Tell pupils that they will choose descriptive words on the board to fill in the blank spaces. In their note books, pupils should copy the sentence and fill in the blank spaces with descriptive words on the board.
- Move around and support the pupils where needed.

Dagbani Pupil Book 65

Standard

The pupils will be able to:

1. Read text with fluency.

1. Assessment: Before the lesson

Prepare for the assessment

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title “letters”, “syllables” and “individual score”.
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.
- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Bɔ ka payisarili ŋɔ nɛndi anfooni ŋɔ ni?
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.

- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list. Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Comprehension – Comprehension questions

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
 Question 1: Ya ka Fuleera layifu kam be?
 Question 2: Nira yi beni ka ka tuma, wula ka o biɛhigu yɛn be?
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Standards

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Reinforcement activities

(15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: “letter sounds” or “syllable blending”.

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Calls on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt.
**TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.*

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi nɔ gbunni lee nyɛla wula?
- Ask for a volunteer to tell say the meaning of the word. Then, ask pupils to point to the picture on the page that matches that word. Ask all pupils to point to the next word in the list and whisper read it to themselves. Call on a pupil at random to read the word for the class. Ask all pupils to point to the picture that matches the word.
- Continue the activity to the end of the word list, helping pupils that get stuck.

3. Word building

(10 mins)

Use syllables to build given words

- Tell pupils they will write words using the syllables in the box.
- Say: N tɛhirila bachi shɛli yɛla. Bachi maa n-nyɛ “bihi”. Chɛliya ka ti kpahi ti nuhi n-doli di bachijila maa bi/hi!
- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Bachi maa n-nyɛ “bihi”. Pumpɔŋɔ ti sabi bachi maa. Chɛliya ka ti layim n-karim li. (Pupils read the word.)
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.

Words: **vari, kɔŋa, tahi**

Use syllables to build given words

- Say: Pumpɔŋɔ, m bɔri ni yi maŋmaŋa namla bachinima yi toli.
- Ask pupils to use any of the syllables in the pupil book to make another word that they know and write it in their copy books.
- Turn and talk: When pupils are finished, ask them to turn to a pupil next to them to share the word they made.

- Say: N yɛn pilimi ni bachi “**fali**” Tuuli bachijilli maa n-nyɛ dini? (ANSWER: **fa**)

- Encourage all correct responses. Help pupils who struggle. If nobody can think of a word, a few possible answers include: **fara, fahim, fasara**

2. Vocabulary – Before reading

(4 mins)

Review and discuss vocabulary

- Review the vocabulary words for this story (learnt during the last reading). Say each word and call on 3-4 pupils to say the word meanings.
- Call on pupils to use each word in a sentence.

bimbirili jilli bilinli

3. Read aloud reminder

(1 min)

Summarize the first part of the read aloud story

- Ask pupils what they remember about the beginning of the story.
- Remind pupils who the characters are, and what happened in the first part of the story.

4. Read aloud

(10 mins)

Read the following story aloud (Refer to picture book, page 6)

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments. If pupils struggled with one of the new vocabulary words, pause to discuss its meaning in the story. If pupils are struggling with a new sound learnt this week, pause to point out the sound in a few different words.

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
 - Question 1: Bindirigu nyaana, bɔ ka bimbilli lahi bɔri ni di zooi ni alaafee? (ANSWER: Kom mini wuntana.)
 - Question 2: Bimbirili maa daa nya kom mini wuntana? Wula ka a niƙ ban? (ANSWER: Iin, di daa lebila bimbilli ka mali vari mini puma.)
 - Question 3: Binyerima ayi bɔ ka a ni tooi zaƙ tubiɛlim n-niƙ? (ANSWER: Ti nubi ka biriti tubiɛlim.)
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Retell

- Ask for a volunteer pupil to say what happened in the story. Encourage the pupil to use their own words. As applicable, remind them to mention the character, setting and events.

Standards

The pupils will be able to:

1. Use letter knowledge, syllable reading and blending skills to read a decodable text with increased fluency.
2. Ask and answer factual and inferential questions
3. Make a connection between a story and personal experience.
4. Use drawing and writing to respond to a story.

1. Rapid letter review

(1 min)

Review small and capital letters

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

V, z, G, v, F, Z, g, f

2. New letter review

(2 mins)

Review the new letter of the week

- Point to the small letter “j” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Point to the capital letter “J” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.
- Say: Bachi bonima ka yi mi ka di piligiri ni /j/?

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – Making connections

(8 mins)

Ask comprehension questions

- Call on pupils randomly to answer the following questions:
Question 1: Di yi di daa nye nyini ka kum maa mali maa wula ka a daa lee yen nin?
Question 2: Bo n-daa nin Juxu o ni daa gbihi neei biɛɣu?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Make text-to-self connections

- Say: Ti yi ti karindi lahibali, di ni tooi teei ti binsheli din na mi n-nin ti ti biɛhigu ni.
- Say: Pumpɔɔ, teemi kum ni daa gbaai juxu la yela. Lala na mi m-paagi a? Wula ka a daa nin?
- Ask pupils to turn to a partner to share their answers.
- Call on a pupil randomly to share their answer to the question. Discuss their answer with the class. Help the pupils think about how the story relates to their own lives and how they can use their own experiences to understand the story.

6. Writing – Creative writing

(10 mins)

Speaking for writing

- Write a simple sentence on the board. Read the sentence aloud twice. (i.e. M mali pen m baaji ni.)
- Say: Ti tɛhimi zan kpa ti ni yen nin shem ka yeltɔyili ɔ karimbu nyayisa. Pumpɔɔ chɛliya ka ti pɔbi ti nina ka tɛhi ti ni ni tooi nya binsheli.
- Ask pupils to visualize the pen and the bag in their minds. After a few seconds, ask pupils to open their eyes. Encourage them to think about the colors, size, etc.
- In pairs ask pupils to describe the pen and the bag they saw in their minds to their partner.
- Call 3 pupils to describe the pen and the bag. Write the descriptive words on the board.
- Choose two descriptive words from the list the pupils gave to make the sentence more interesting. (i.e. M mali pen palli m baaji titali ni.)
- Read the new sentence to the pupils and ask them what is different about the first sentence and the new one.
- Explain that descriptive words provide more information and make our sentences more interesting to read.

Writing

- Write the sentence again with blank spaces (i.e. M mali pen _____ m baaji _____ ni.)
- Tell pupils that they will choose descriptive words on the board to fill in the blank spaces. In their note books, pupils should copy the sentence and fill in the blank spaces with descriptive words on the board.
- Move around and support the pupils where needed.

Standard

The pupils will be able to:

1. Read text with fluency.

1. Assessment: Before the lesson

Prepare for the assessment

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title “letters”, “syllables” and “individual score”.
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.
- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Yi tshiya ni ya ka ninkurigu no lee vori bidibiga no chana? Cheliya ka ti karim lahibali maa!
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list. Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Reason to read

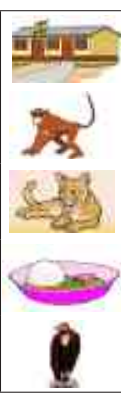

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
Question 1: Ŋuni ka Juuna lee zaŋ o zuɣu vuli?
Question 2: Bɔ ni ka Juuna yaba daa zaŋ o niŋ?
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Standards

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Reinforcement activities

(15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: “letter sounds” or “syllable blending”.

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Calls on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt.
**TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.*

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi nɔ gbunni lee nyɛla wula?
- Ask for a volunteer to tell say the meaning of the word. Then, ask pupils to point to the picture on the page that matches that word. Ask all pupils to point to the next word in the list and whisper read it to themselves. Call on a pupil at random to read the word for the class. Ask all pupils to point to the picture that matches the word.
- Continue the activity to the end of the word list, helping pupils that get stuck.

3. Word building

(10 mins)

Use syllables to build given words

- Tell pupils they will write words using the syllables in the box.
- Say: N tɛhirila bachi shɛli yɛla. Bachi maa n-nyɛ “jɛna”. Chɛliya ka ti kpahi ti nuhi n-doli di bachijila maa! jɛ/na.
- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Bachi maa n-nyɛ “jɛna”. Pumpɔŋɔ, ti ni sabi bachi maa. Chɛliya ka ti layim n-karim li! (Pupils read the word.)
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.

Words: **zugu**, **laɲa**, **vayɔ**

Use syllables to build given words

- Say: Pumpɔŋɔ, m bɔri ni yi maŋmaŋa namla bachinima yi toli.
- Ask pupils to use any of the syllables in the pupil book to make another word that they know and write it in their copy books.
- Turn and talk: When pupils are finished, ask them to turn to a pupil next to them to share the word they made.

- Ask pupils to say the sound with you (no more than 2 times).
- Point to the capital letter “Iɛ” on the alphabet strip or on the board.

- Point to the small letter “iɛ” on the alphabet strip or on the board again.
- Say: Ti ni nya li bachinima ni ka di nyɛla ŋ-ŋɔ.

Keyword picture study

- Say: Bɔ ka yi nya?
- Call on 1-2 pupils to name what they see in the picture.
- Say the keyword. Touch the letter of the day in the keyword in the pupil book. Say the sound.
- Say: Bolimiya bachi maa n-doli ma! “piɛyɔ”. Yi wum /iɛ/ vuri “piɛyɔ” puuni?
- Ask pupils to touch the letter and say the word again.

Keyword analysis (Pupil Book Box #1)

- Write the keyword from Box #1 on the board.
- Point to the keyword.
- Say: Di nyɛla piɛyɔ.
- Point to the syllable (under the keyword). Read it and show pupils how the syllable is part of the keyword.
- Point to the letter (under the syllable). Read it and show pupils how the letter is part of the syllable.

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “iɛ” and show the “p”.
- Say: Bachikɔbili ɲɔ vuri nyɛla wula? (Pupils respond “p”.)
- Cover the “p” and show the “iɛ”.
- Say: Bachikɔbili ɲɔ vuri nyɛla wula? (Pupils respond “iɛ”.)
- Say: Yi ni tooi laxim n-karim bachikɔba maa, ka zaɲ ɲa laxim n-nam bachijila. Pumpɔɲɔ, laximmiya karim bachikɔba maa! /p/ /iɛ/, “piɛ”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(8 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Wummiya ka yulima! N yɛn karimla bachijila maa ka zaɲ ɲa laxim n-nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Chɛliya ka ti zaa laxim m-buxisi li!

- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpɔŋɔ, yi mi di ni tu ni yi niŋ shɛm. Karimmiya bachi shɛŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ɔɔ maa shɛm maa! Karimmiya bachijila maa pɔi ka naan yi laxim ŋa m-boli bachi maa. Zanmiya yi nubihi n-dolisi li! (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

3. Comprehension – Prediction

(5 mins)

Prediction based on picture and title

- Help pupils find the decodable text of the day in their Pupil Books by holding up the page and saying the page number.
- Say: Ti pun wuhiri ti teha zan jendi anfooni maa ni nye sheli. Pumpɔŋɔ, cheliya ka ti wuhi ti teha zan jendi anfooni maa mini lahibali maa yuli ni nye sheli! Tuuli, yulimiya anfooni maa, ka karim lahibali maa yuli. Bɔ ka yi tehi ni lahibali ɲɔ ni jendi?
- Ask a volunteer pupil to read the title aloud, to be sure everyone is following along.
- Give pupils a moment to think, then invite them to share their predictions with a partner. Call on 2 pupils at random and ask for their predictions.

4. Reason to read

(2 mins)

Think about why you want to read the story

- Say: Pumpɔŋɔ, yi ni karim lahibali maa yi toli yi bukunima ni. Yi ni tooi karim lahibali maa puuni bachinima maa dama bachikɔb' sheŋa ti ni pun bɔhim ka di zan n-nam li.

5. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. Do NOT read it aloud for them. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

6. Comprehension – Prediction check

(2 mins)

Check prediction based on picture and title

- Ask pupils to remember the predictions they made before they read the story. Give them a moment to think. Ask them to raise their hands if their predictions were what happened in the story.
- Remind the class what the volunteer pupils predicted before they read the story. Ask the pupils if those predictions were what happened.

7. Writing – Letters

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable “biɛ” in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “iɛ” on the board (1/3 meter tall).

- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “**ie**” 5 times.
- If some pupils finish early, tell them to draw a picture of something that begins with the sound /ie/.

Dagbani—Lesson 113

Teacher Read Aloud: First Reading

Standards

The pupils will be able to:

1. Use new words correctly in sentences.
2. Use verbal and nonverbal communication appropriately.
3. Answer comprehension questions.

1. Teach the sound

(5 mins)

Listening game – Make a new word

- Tell pupils that you will play a game. They will read a word, then try to think of a word that starts with the same syllable.
- Write the first word on the board.

- Say: N yɛn pilimi ni bachi “**diema**”. Dini n-lee nyɛ tuuli bachijilli maa? (ANSWER: **die**)
- Write the first syllable by itself. Ask pupils if they can think of a different word that also starts with the same syllable.
- Encourage all correct responses. Help pupils who struggle. If nobody can think of a word, a few possible answers include: **diem, diemba, diembu**

2. Vocabulary – Before reading

(5 mins)

Teach and discuss vocabulary

- Tell pupils each word. Have them repeat it. Talk to the pupils about the new words they will hear in the text. Ask pupils what they know about each one.
- Discuss the word meaning with pupils, using gestures or illustrations to support understanding.

yila teenkɔbiri dachɛhi

3. Read aloud

(10 mins)

Read the following story aloud (Refer to picture book, page 7)

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments such as when you come to a vocabulary word the pupils just learnt or when you hear a syllable the pupils just practiced.

5. Comprehension – Making connections

(8 mins)

Ask comprehension questions

- Call on a pupil randomly to answer the following question:
Question 1: Ya ka Pieyu daa lee da nosuyu?
Question 2: Pieyu yinnima maa daa maliya?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Comprehension – authors words, character

- Say: Ninvuy' so nun sabiri lahibali, sasabira zandila bachi gahinda n-sabiri lahibali maa ni di sɔŋ o ka o baŋ di gbunni. Lala bachi gahinda ŋɔ sɔŋdi a mi ka a “nya” lahibali maa a teha ni. Sasabira maa maarila o nii n-gahim bachinima maa. Cheliya ka ti nya ŋa sheŋa!

- Read the sentences with the comma (,). Then read it again without the comma.
- Ask pupils if they heard the difference. You may want to repeat this once more to be sure all the pupils have heard it.
- Turn and talk: Ask pupils turn to a pupil next to them to discuss what they think is different with the second reading. Call on 2-3 pupils to share their suggestions.
- Read the sentence with the comma again with the pupils.
- Say: Vuhimbia gbunni nyɛmi, di zala talahi ni nira vuhi biɛla yeltɔyili ni. Saha sheli kam ka a yi nya vuhimbia, di tu ni a vuhi biɛla a karimbu ni. Dina n-yɛn che ka a baŋ yeltɔyili maa gbunni viɛnyɛla.

- Ask pupil to say the sound with you again (no more than 2 times).

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Say: Pumpɔŋɔ, chɛliya ka ti zaŋ bachikɔb' shɛŋa ti ni pun bɔhim maa n-karim bachijila pahi!
- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “ie” and show the “p”.

- Cover the “p” and show the “ie”.
- Say: Bachikɔbili ŋɔ vuri nyɛla wula? (Pupils respond /ie/.)
- Say: Yi ni tooi laxim karim bachikɔba vuri maa, ka zaŋ ŋa laxim n-nam bachijila. Pumpɔŋɔ, laximiya karim bachikɔba vuri maa! /p/ /ie/, “pie”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(6 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Wummiya ka yulima! N yɛn karimla bachijila maa ka laxim ŋa nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Chɛliya ka ti laxim karim li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpɔŋɔ, yi mi di ni tu ni yi niŋ shɛm. Karimmiya bachi shɛŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ŋɔ maa shɛm maa! Karimiya bachijila maa pɔi ka naan yi laxim ŋa boli bachi maa. Zaŋmiya yi nubihi n-dolisiri li! (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

6. Fluency activity

(10 mins)

Read common words

- Say: Ti yen bəhimla bachikpana biɛla karimbu lahibali sheli din pun gari la yi bukunima maa ni.
- Ask pupils to look at the sentence at the bottom of the page in the pupil book.
- Write the sentence on the board.
- Circle the following common words in the same sentence the pupils just read:

nobihi la zuɣuri

- Point to each common word in the sentence. Ask pupils to read these common words together as a class. Repeat no more than 3 times.

Re-reading for fluency

- Say: Pumpɔŋɔ, chɛliya ka ti karim yɛltɔyili maa zaa! Ti ni karim li bushɛm. M bɔrimi ni yi karim li kamani yi dirila so alizama la.
- Demonstrate reading without emotion (take pauses between words and be boring), and then do it again with more expression (with a natural pace and appropriate emotion - like excitement or sadness).
- Then have pupils follow these steps:
 - 1) Pupils read the sentence with a partner twice.
 - 2) Teacher reads the sentence with the whole class.
 - 3) Pupils try reading with a partner naturally, with more emotion.
- Have pupils rate their own speed and emotion by holding 1, 2, or 3 fingers in the air. (1 – I was excellent, 2 – I was okay, 3 – I need more practice.)

3. Comprehension – Prediction

(5 mins)

Prediction based on picture and title

- Help pupils find the decodable text of the day in their Pupil Books by holding up the page and saying the page number.

- Ask pupils to read the decodable story independently. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

6. Comprehension – Prediction check

(2 mins)

Check prediction based on picture and title

- Ask pupils to remember their predictions from before they read the story. Give them a moment to think. Ask them to raise their hands if their predictions were what happened in the story.
- Remind the class what the volunteer pupils predicted before they read the story. Ask the pupils if those predictions were what happened.

7. Writing – Letters

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable “**biɛ**” in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “**iɛ**” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “**iɛ**” 5 times.

2. Vocabulary – Before reading

(5 mins)

Review and discuss vocabulary

- Review the vocabulary words for this story (learnt during the last reading). Say each word and call on 3-4 pupils to say the word meanings.

yila teenkɔbiri dachɛhi

3. Read aloud reminder

(5 mins)

Summarize the first part of the read aloud story

- Ask pupils what they remember about the beginning of the story.
- Remind pupils who the characters are, and what happened in the first part of the story.

4. Read aloud

(10 mins)

Read the following story aloud (Refer to picture book, page 7)

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments. If pupils struggled with one of the new vocabulary words, pause to discuss its meaning in the story. If pupils are struggling with a new sound learnt this week, pause to point out the sound in a few different words.

- Tell the pupils that they will help you sound words out and break words down into syllables to help you write.

Writing

- Continue to write the story by calling on pupils to tell you what happens next.
- Help pupils clarify and extend their thinking before you start writing. For example, you could ask: How many boys are playing the game? What game are they playing?
- Say the words as you write for the pupils to see how the sounds and syllables connect to form the words in the sentence.
- After the first sentence ask pupils if they can hear where the full stop/question mark/exclamation mark might go.

- Model writing using the appropriate punctuation and explain to the pupils why those punctuation marks are used.

1. Assessment: Before the lesson

Prepare for the assessment

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title “letters”, “syllables” and “individual score”.
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.
- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Bɔ n-che ka niriba ɲɔ niɗ suhupielli lala? Chɛliya ka ti karim nya din be lahibali ɲɔ ni!
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list. Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Comprehension – Comprehension questions

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
Question 1: Dɔr' bɔ n-daa lu Danaayilinima zuɣu?
Question 2: Wula ka bɛ daa niŋ n-tibi dɔro maa?
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Reinforcement activities

(15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: “letter sounds” or “syllable blending”.

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Call on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt.
*TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi nɔ gbunni nyɛla wula?
- Ask for a volunteer to tell say the meaning of the word. Then, ask pupils to point to the picture on the page that matches that word. Ask all pupils to point to the next word in the list and whisper read it to themselves. Call on a pupil at random to read the word for the class. Ask all pupils to point to the picture that matches the word.
- Continue the activity to the end of the word list, helping pupils that get stuck.

3. Word building

(10 mins)

Use syllables to build given words

- Tell pupils they will write words using the syllables in the box.
- Say: N tɛhirila bachi shɛli yɛla. Bachi maa n-nyɛ “nosuyu”. Chɛliya ka ti kpahi ti nuhi n-doli di bachijila maa! no/su/yu.
- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Bachi maa n-nyɛ “nosuyu”. Pumpɔnɔ, ti sabi bachi maa. Chɛliya ka ti layim n-karim li! (Pupils read the word.)
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.

Words: **nobihi, daabihi, suhi**

Use syllables to build given words

- Say: Pumpɔnɔ, m bɔri ni yi manmana namla bachinima yi toli.
- Ask pupils to use any of the syllables in the pupil book to make another word that they know and write it in their copy books.
- Turn and talk: When pupils are finished, ask them to turn to a pupil next to them to share the word they made.

- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Wummiya ka yulima! N yen karimla bachijila maa ka zan na layim n-nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Cheliya ka ti zaa layim m-buxisi li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.
- Say: Pumpoŋo yi mi di ni tu ni yi nin shem. Karimmiya bachi shena nan pahi maa yi bukunima ni kamani ti ni karim ŋo maa shem maa! Karimmiya bachijila maa poi ka naan yi layim na m-boli bachi maa! Zanmiya yi nubih n-dolisi li! (Monitor and help pupils.)

Check prediction based on picture and title

- Ask pupils to remember the predictions they made before they read the story. Give them a moment to think. Ask them to raise their hands if their predictions were what happened in the story.
- Remind the class what the volunteer pupils predicted before they read the story. Ask the pupils if those predictions were what happened.

7. Writing – Letters

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable “**nyu**” in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “**ny**” on the board (1/3 meter tall).

- Point at random, quickly, to letters pupils have learnt.

ie, V, j, F, Iɛ, f, J, v

2. Teach the sound

(4 mins)

Tongue twister—Say the sound

- Say the tongue twister. Pupils repeat.

Nyerigili nya nyɛbiga nyaɲa Nyɛhini.

- Ask pupils what sound they hear most.

Listening game – First sound

- Say each word below. Pupils put a hand up if they hear the sound at the beginning of the word and on the desk if they do not.

nyamnyam, buyili, jaangbee, nyaadua, nyuli, fiɛyufiɛyɔ, nyɛvuli, varavara

3. Letter and keyword

(2 mins)

Review the letter

- Point to the small letter “ny” on the alphabet strip or on the board.
- Say: Bachikɔbili ɔ vuri nyɛla wula?
- Ask pupils to say the sound with you (no more than 2 times).
- Say: Bachikpan' bɔ ka ti bɔhim ni di sɔŋ ti ka ti teei bachikɔbili ɔ vuri?
- Turn and Talk: Ask pupils to turn to a pupil next to them to share the keyword for the letter of the week. They can use the picture on the alphabet strip or in their pupil books to help them. Then, ask one pair to say the keyword aloud for the whole class.
- Ask pupil to say the sound with you again (no more than 2 times).

4. Read syllables

(7 mins)

Use the new letter sound to read syllables (Pupil Book Box #2)

- Say: Pumpɔŋɔ, chɛliya ka ti zaŋ bachikɔb' shɛŋa ti ni pun bɔhim maa n-karim bachijila pahi!
- Write the Box #2 syllable column on the board.
- Point to the first syllable. Cover the “aa” and show the “ny”.
- Say: Bachikɔbili ɔ vuri nyɛla wula? (Pupils respond /ny/.)
- Cover the “ny” and show the “aa”.
- Say: Bachikɔbili ɔ vuri nyɛla wula? (Pupils respond /aa/.)
- Say: Yi ni tooi laxim karim bachikɔba vuri maa, ka zaŋ ŋa laxim n-nam bachijila. Pumpɔŋɔ laximiya karim bachikɔba vuri maa! /ny/ /aa/, “nyaa”.
- Continue in this way for the other syllables. Ask pupils to do the others. They will say each sound, and then the syllable.
- After the pupils have read all the syllables together, give them 1 minute to try reading the syllables independently again from their books.

Rapid syllable reading (Pupil Book Box #3)

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables randomly. Ask the whole class to read each one quickly as you point to it.

5. Read words

(6 mins)

Blending syllables to read words

- Write the first word on the chalkboard and help pupils find it in their books.
- Say: Wummiya ka yulima! N yɛn karimla bachijila maa ka laxim ŋa nam bachi.
- Model the blending process by reading each syllable, then blending the syllables together to read the word.
- Say: Chɛliya ka ti laxim karim li!
- Read the same syllables and the word, but this time with the pupils. Then ask the pupils to try the same word by themselves.

- Say: Pumpɔŋɔ, yi mi di ni tu ni yi niŋ shɛm. Karimmiya bachi shɛŋa ŋan pahi maa yi bukunima ni kamani ti ni karim ɔɔ maa shɛm maa! Karimmiya bachijila maa pɔi ka naan yi layim ŋa boli bachi maa. Zaŋmiya yi nubihi n-dolisiri li! (Monitor and help pupils.)
- Call on 4 pupils at random to read one of the words using the blending process – reading the syllables, then the word. Provide help if needed.

6. Fluency activity

(10 mins)

Read common words

- Say: Ti yɛn bɔhimla bachikpana biɛla karimbu lahibali shɛli din pun gari la yi bukunima maa ni.
- Ask pupils to look at the sentence at the bottom of the page in the pupil book.
- Write the sentence on the board.
- Circle the following common words in the same sentence the pupils just read:

nyɛbiga nyini

- Point to each common word in the sentence. Ask pupils to read these common words together as a class. Repeat no more than 3 times.

Re-reading for fluency

- Say: Pumpɔŋɔ, chɛliya ka ti karim yɛltɔyili maa zaa! Ti ni karim li bushɛm. M bɔrimi ni yi karim li kamani yi dirila so alizama la.
- Demonstrate reading without emotion (take pauses between words and be boring), and then do it again with more expression (with a natural pace and appropriate emotion – like excitement or sadness).
- Then have pupils follow these steps:
 - 1) Pupils read the sentence with a partner twice.
 - 2) Teacher reads the sentence with the whole class.
 - 3) Pupils try reading with a partner naturally, with more emotion.
- Have pupils rate their own speed and emotion by holding 1, 2, or 3 fingers in the air. (1 – I was excellent, 2 – I was okay, 3 – I need more practice.)

Standards

The pupils will be able to:

1. Apply knowledge of new and previously-learned letters to read a short text independently.
2. Make predictions using a picture.
3. Write a new letter.

1. My language

(3 mins)

Teach a rule of the language

- Say: Ti yi karindi bachinima, yeltɔɔ, ni lahibaya ti zuliya yeltɔɔ ni, zal' sheɔa beni ka di tu ni ti doli. Lala zalisi no sɔɔdi ti ka ti karindi vienyelinga ka ban ti ni karindi sheli maa. Zunɔ, cheliya ka ti yuli za' palli.
- Point to the My Language box in the Pupil Book. Ask pupils to point to it in their books.

- Ask pupils to read the My Language lines (a different pupil for each line).
- Say: Bɔ n-woligi yeltɔɔ no zaa ni? Gbunni bɔ ka di tiri ti? Yeltɔɔ' dini mini anfooni maa n-kpini taba?
- Call on 1-2 pupils to respond, as appropriate.

2. Vocabulary – Before reading

(5 mins)

Teach and discuss vocabulary

- Write the vocabulary on the board (but not the definitions). Ask pupils what they know about each one.
- Discuss the word meaning, using gestures or illustrations to support understanding. If needed, help pupils understand the word by saying it in another language they know.

nyamma nyaanzum

3. Comprehension – Prediction

(5 mins)

Prediction based on picture and title

- Help pupils find the decodable text of the day in their Pupil Books by holding up the page and saying the page number.
- Say: Ti pun wuhiri ti teha zan jendi anfooni maa ni nye sheli. Pumpɔɔ, cheliya ka ti wuhi ti teha zan jendi anfooni maa mini lahibali maa yuli ni nye sheli. Tuuli, yulimiya anfooni maa, ka karim lahibali maa yuli! Bɔ ka yi tehi ni lahibali no ni wuhira?
- Ask a volunteer pupil to read the title aloud, to be sure everyone is following along.
- Give pupils a moment to think, then invite them to share their predictions with a partner. Call on 2 pupils at random and ask for their predictions.

4. Reason to read

(2 mins)

Think about why you want to read the story

- Say: Pumpɔŋɔ, yi ni karim lahibali maa yi toli yi bukunima maa ni. Yi ni tooi karim di bachinima maa dama bachikɔb' shɛŋa di ni zaŋ sabi lala lahibali maa nyɛla ti ni daa pun bɔhim shɛŋa.
- Say: Yi tɛhiya ni bɔ m-mali nayinyili ka o doya shɛm maa? Chɛliya ka ti karim lahibali maa nya din beni!
- Say: Zaŋmiya yi ni mi binshɛŋa zaŋ kpa bachikɔba mini bachijila polo ka di sɔŋ ya ka yi karim lahibali maa yi toli! Tirimiya bachinima maa ka karinda!

5. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

6. Comprehension – Prediction check

(2 mins)

Check prediction based on picture and title

- Ask pupils to remember their predictions from before they read the story. Give them a moment to think. Ask them to raise their hands if their predictions were what happened in the story.
- Remind the class what the volunteer pupils predicted before they read the story. Ask the pupils if those predictions were what happened.

7. Decodable story reading – Independent

(6 mins)

Pupils practice writing the letter

- Ask pupils to locate the syllable “nyɛ” in a word in the decodable story. Call on 2 pupils at random to share the words they found.
- Write the letter “ny” on the board (1/3 meter tall).
- Air write the letter (use a straight arm) and describe how to write the letter as you do it. Invite pupils to air write with you and say the sound. Watch them as they do it.
- Ask pupils to write the letter with a finger on their desks while saying the sound of the letter.
- Ask pupils to take out their exercise books and write the letter “ny” 5 times.
- If some pupils finish early, tell them to draw a picture of something that begins with the sound /ny/.

Read
Aloud

Standards

The pupils will be able to:

1. Use new words correctly in sentences.
2. Use verbal and nonverbal communication appropriately.
3. Answer comprehension questions.

1. Teach the sound

(5 mins)

Listening game – Make any new word

- Tell pupils that you will play a game. They will read a word, then try to think of a word that starts with the same syllable.
- Write the first word on the board.
- Say: N ni pili ni bachi “**pali**.” Tuuli bachijilli maa n-nyε dini? (ANSWER: **pa**).

- Write the first syllable by itself. Ask pupils if they can think of a different word that also starts with the same syllable.
- Encourage all correct responses. Help pupils who struggle. If nobody can think of a word, a few possible answers include: **paɣa, paɣi, pabu**

2. Vocabulary – Before reading

(5 mins)

Teach and discuss vocabulary

- Review the vocabulary words for this story (learnt during the last reading). Say each word and call on 3-4 pupils to say the word meanings.
- Call on pupils to use each word in a sentence.

sochandiba saamba chεbu

3. Read aloud

(10 mins)

Read the following story aloud again (Refer to picture book, page 8)

- Show the picture that goes with the story as you read aloud. Or, if you have the NALAP big book, use that to show the pictures.
- While reading, pause to think aloud and talk to pupils about the story at key moments. If pupils struggled with one of the new vocabulary words, pause to discuss its meaning in the story. If pupils are struggling with a new sound learnt this week, pause to point out the sound in a few different words.

- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Retell

- Ask for a volunteer pupil to say what happened in the story. Encourage the pupil to use their own words. As applicable, remind them to mention the character, setting and events.

- Point quickly and at random to letters pupils have learnt. Pupils say the sounds of the letters.

ie, V, j, F, Ie, f, J, v

2. New letter review

(2 mins)

Review the new letter of the week

- Point to the small letter “ny” on the alphabet strip or on the board. Ask pupils to say the sound of the letter.

3. Read syllables

(3 mins)

Rapid syllable reading

- Write the first column of Box #3 on the board.
- Ask pupils, all together, to read down the column on the board.
- Write each additional column, one at a time. Have pupils read the syllables in each column.
- Point to 5 syllables at random. Ask the whole class to read them quickly, as you point.

4. Decodable story reading – In pairs

(6 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

5. Comprehension – Making connections

(8 mins)

Ask comprehension questions

- Call on pupils randomly to answer the following questions:
Question 1: Ɔuni ka naɣinyiya daa lee zɔra?
Question 2: Bɔ n-daa lee sayim naɣinyiya mini nyinnyahilana biɛhigu?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what may have given them that idea, such as their own experiences, or what they see in the text or picture.

Comprehension – authors words, events

- Say: Ninvuy' so nun sabiri lahibali, Sasabira, zandila bachi gahinda n-sabiri lahibali maa ni di sɔŋ a ka a baŋ di gbunni. Lala bachi gahinda ŋɔ sɔŋdi a mi ka a “nya” lahibali maa a tɛha ni. Sasabira maa maarila o nii n-gahim bachinima maa. Chɛliya ka ti nya ŋa shɛŋa!
- Ask the following question and write the 2-3 correct responses on the board. Talk about the meaning of the words, what they remind pupils of in their lives or experiences, and how it makes them feel.
- Say: Bachi bɔnima ka Sasabira maa zaŋ buɣisi nyinnyahilana? Wuximiya yi nuhi!
(ANSWER: Bilikɔyino)

6. Writing – Creative writing

(10 mins)

Speaking for writing

- Talk to pupils about your favorite food and tell them the reasons why you like that food.
- Tell children they are also going to talk about their favorite food and why they like it.
- Turn and talk: Ask pupils to turn to a pupil next to them to say what their favorite food is and explain why they like it so much.
- Call on 2-3 pupils to share with the class what their partner's favorite food is and say why they like it.

Writing

- Pupils copy and complete the sentences.
M bindir' yurili n-nyɛ.....
N yu li mi dama.....
- Ask pupils to draw their favorite food in their books after completing the sentences.
- Encourage pupils to remember the punctuation to use at the end of each sentence (full stop).
- Move around and support pupils. Encourage them to write, even if they don't know the correct spelling. Remind them to use letter sounds to form syllables then use the syllables to spell words as they write their sentences.

Dagbani Pupil Book 83

Standard

The pupils will be able to:

1. Read text with fluency.

1. Assessment: Before the lesson

Prepare for the assessment

- Prepare an assessment scoring page in a notebook. List all the pupils in the class in alphabetical order. Then make 3 more columns with the title “letters”, “syllables” and “individual score”.
- Prepare an assessment sheet with the assessment letters and syllables (found at the end of this lesson plan). Write the letters and syllables large enough for pupils to see clearly and point to.

- At the beginning of this lesson, help pupils find the decodable story for this lesson. Instruct pupils who are not being assessed to read the story quietly.

2. Reason to read

(2 mins)

Think about why you want to read the story

- Tell pupils that they will be reading a story with a partner while you work with individual pupils.
- Say: Bo n-che ka nahu maa doya lala?
- Chɛliya ka ti karim nya din be lahibali maa ni!
- Turn and talk: Ask pupils to turn to a pupil next to them to begin reading the story in their Pupil Books.

3. Assessment (individual assessment while the rest of the class reads in pairs)

(20 mins)

Administer the assessment

- You will assess 10 pupils. While the whole class is reading in pairs, call one pupil to sit with you.
- Show the pupil the 4 letters on the assessment sheet. Mark the number of correct responses (from 1-4) on your assessment scoring page.
- Show the pupil the 3 syllables on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.

- Show the pupil the 3 words on the assessment sheet. Mark the number of correct responses (from 1-3) on your assessment scoring page.
- Do this for another 9 pupils (to complete all 10). Next week you will assess 10 more pupils starting with the next pupil on the list.

Score the assessment – For each pupil

- Total the correct letters, syllables and words for each pupil – across the row on your assessment scoring page. This gives a general sense of how the child is learning: 8-10 correct is good. 6-7 is developing. 1-5 may indicate that the child is struggling.

Score the assessment – For class progress

- Total the correct letters and syllables for the 10 pupils by adding each column on your assessment scoring page. A total of 40-50 is good, 30-40 is developing, and less than 30 is a challenge. Consider reinforcement activities for skill areas that are less than 40.

Looking forward

- Next week, continue with the next 10 pupils on the list. Continue this way until all pupils are assessed, then start over again from the beginning of the list.

4. Comprehension – Comprehension questions

(8 mins)

Ask comprehension questions

- Thank pupils for staying on task and working well with their partners.
- Call on a pupil randomly to answer each of the following questions:
 Question 1: Ŋuni ka Naɣinyaŋ daa kaai?
 Question 2: Naɣinyaŋ yi daa bi kaai o yidana, bo n-daa yen niŋ?
- After each response, congratulate, help, or correct the pupil's answer. If the pupil is partly correct or incorrect, tell them why. Help pupils find the sentence in the story that contains the answer.

Standards

The pupils will be able to:

1. Use letter and sound knowledge to read words.
2. Blend syllables to read and write words.

1. Assessment: Before the lesson (15 mins)

NOTE

Choose a reinforcement activity from the options below. Base your choice on the skill(s) your pupils found challenging in the assessment. The skill reinforced by the activity is in the activity name: “letter sounds” or “syllable blending”.

Letter sounds – Can you think of a word?

- Use flashcards. Hold up a letter pupils have learnt but need to practice. Ask a pupil to say the letter sound. Repeat the correct letter sound. Ask pupils to think of a word that starts with the sound. Call on 5-10 pupils to share their words, then move on to the next letter.

Letter sounds – Letter zoom

- Ask pupils to turn to the page of letters at the back of the pupil book. Call a letter sound that pupils have already learnt. Ask pupils to look at the letters in the table and quickly tap the letter that makes that sound. Repeat with additional letters that pupils have already learnt. *TIP – start saying letter sounds at a speed that gets as many pupils to participate as possible, then gradually start saying letter sounds more quickly.

Syllable blending – Whisper the syllable

- Use flashcards. Choose 3 consonants and 3 short or long vowels from the flashcards (try to use letters that pupils may struggle with or have forgotten). Hold up a consonant and say its sound. Hold up a short or long vowel and say its sound (or have pupils say the sound). Ask pupils to turn to a partner and quietly say the syllable made by the two flashcards. When they agree on the syllable, have them raise their hands. Wait until most of the class has raised their hands. Call on a pair at random to say the syllable. If they are correct, give a clap of appreciation. Continue using flashcards to make 5-10 more syllables for pupils to say in pairs.

Syllable blending – Phonics bingo

- Write 10 words on the blackboard that pupils have already learnt. Read the items aloud once. Ask pupils to choose 3 of them to write in a notebook, paper, slate, or other place. Call one of the words at random. Continue to slowly call out words. The first pupil to hear all 3 of the words they wrote down raises their hand. If they can say all 3 correct words, they get a clap of appreciation from the class.

2. Word matching

(5 mins)

Match words to pictures

- Ask pupils to put their fingers under the first word in the word list for the activity in the pupil book. Read the first word.
- Say: Bachi nɔ gbunni nyɛla wula?
- Ask for a volunteer to tell say the meaning of the word. Then, ask pupils to point to the picture on the page that matches that word. Ask all pupils to point to the next word in the list and whisper read it to themselves. Call on a pupil at random to read the word for the class. Ask all pupils to point to the picture that matches the word.
- Continue the activity to the end of the word list, helping pupils that get stuck.

3. Word building

(10 mins)

Use syllables to build given words

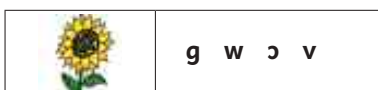

- Tell pupils they will write words using the syllables in the box.
- Say: N tɛhirila bachi shɛli yɛla. Bachi maa n-nyɛ “nyabu”. Chɛliya ka ti kpahi ti nuhi n-doli di bachijila maa: nya /bu.
- Using the syllable grid in the Pupil Book, ask pupils to point to the first syllable that they hear in the word that you said aloud. Then, write the syllable on the board.
- Continue asking pupils to point to the syllables in the word until the full word is written on the board.
- Say: Bachi maa n-nyɛ “nyabu”. Pumpɔɔ bachi maa zaa sabimi maa. Chɛliya ka ti layim n-karim li. (Pupils read the word.)
- Say the first word below and clap the syllables with pupils. Give pupils time to find the syllables of the word and point to them in their book, then write them to form the word in their copy books. After all pupils have written the word, say the next word. Continue with the rest of the words.

Words: **solɪ, pini, gayi**

Use syllables to build new words

- Say: Pumpɔɔ, m bɔri ni yi maɲmaɲa namla bachinima yi toli.
- Ask pupils to use any of the syllables in the pupil book to make another word that they know and write it in their copy books.
- Turn and talk: When pupils are finished, ask them to turn to a pupil next to them to share the word they made.

Standards

The pupils will be able to:

1. Connect letters with spoken words.
2. Show the teacher which letters they know well, and which they don't know well.

1. Practise ladder - Letters

(15 mins)

How to play:

Consonants

- Write the letters from the grid below on the ground. Draw the grid, and write the letters in each box. (If that is not possible, draw it on the blackboard, and find a long stick for pupils to point to the correct box. In this case, they will point, not hop.)

g	ny	z	v
w	f	p	j
ŋ	ʒ	l	y
a	ɔ	iɛ	u
e	ɛ	i	o

- Divide the class into two groups (at random, or by first letter of their name, etc.) and choose a group to start.
- Read the first word from the list below. The first pupil from the group will jump on the box that has the letter at the beginning of the word.
- Say: Karimbihi wummiya tuuli bachikɔbili din be bachi maa ni ka yiɣi n-tam di zuɣu. Bachi maa n-nyɛ: (say a word from the word list below).
- If the child is correct, give their group a point. If not, let the first pupil from the other group try. If that pupil is correct, give their group a point. If nobody knows it, demonstrate– hop on the box and show them the correct letter.
- Continue with the rest of the words.
- Word list:

vari, nya, yuli, gala, zaŋ, wahu, ŋɔŋli, lari, paɣa, jɛma, ʒiɛri, fara

Vowels

- Next, play the same game with vowels. The vowels are in the words, not at the beginning.
- Say: Wummi vaawulinima vuri bachinima ᵑᵑ ni ka yiᵑi chaᵑ nti tam di zuᵑu! Bachi maa n-nyɛ: (say a word from the word list below.)
- Continue with the rest of the words.
- Word list:

(15 mins)

Prepare and practice

- This assessment focuses on the eight letters pupils learned this term. The results will tell you which letters to review in the Lesson.
- Prepare by arranging pupils for testing. If possible, there should be some space between pupils. One possibility is for pupils to sit back-to-back, so they can't easily see each-other's pupil books.
- Ask pupils to open to the Lesson. They will see rows of letters with a number at the beginning of each row.
- Let pupils know that you will tell them what row of letters to look at. You will say a sound. Pupils should point to the letter in that row that makes the sound.
- Remind them to only look at their own book, not another pupil's book.
- Ask pupils to try the practice row at the top. A flower marks the practice row. Help them with the practice row, to be sure they understand how to respond. Say the sound of this letter for the practice row:
- Row (flower), Letter: **w**

Assess pupils

- Continue calling letters for the rest of the rows.

Marking

- For each **letter** you call out, look at 6 pupils' responses at random. If there are two or more pupils pointing to an incorrect letter, note down the letter. You will review these difficult letters in the lesson.
- Below is the list of letters to call out, by row. Remember to mark each difficult item before moving to the next one.
- Row 1, Letter: **j**
- Row 2, Letter: **f**
- Row 3, Letter: **v**
- Row 4, Letter: **iɛ**
- Row 5, Letter: **ny**
- Row 6, Letter: **ɔ**
- Row 7, Letter: **g**
- Row 8, Letter: **z**

Standards

The pupils will be able to:

1. Connect syllables with spoken words.
2. Show the teacher which syllables they know well, and which they don't know well.

1. Reinforcement – Re-teach letters

(10 mins)

Re-teach letters pupils aren't sure of

- Look at your list of letters from the assessment. These are letters that pupils were not confident with or that several pupils got wrong. Pull out the alphabet cards for only those letters.
- Use the alphabet strip to remind pupils of the letter sound and keyword for each letter.
- Raise up each of the alphabet cards, quickly. Ask pupils to say the letter sound as soon as they see it. Spend a couple minutes on this.

2. Reinforcement – Letter game

(10 mins)

Ask pupils for words they know

- In this game, the pupils will pass around the alphabet cards with only the letters you **want to reinforce** (the same letters as above). They will say its sound, and think of a word with that sound. Each time the letter comes up, they'll think of a new word.
- If possible, have the pupils stand in a circle.
- The first pupil should hold up the deck for the other pupils with the top card showing. The pupil says the sound of the letter (if the sound is incorrect, the teacher should say the correct sound, and the pupil should repeat it correctly).
- Then the same pupil says a word that starts with the letter. If it is a vowel, the pupil says a word that has the letter in it.
- The other pupils should say if they agree that the word has the letter in it.
- If they agree, then ALL pupils say the sound of the letter, and the word.
- Then the pupil passes the deck to the next child in the row. The next pupil puts the top card on the bottom. Then they continue (say the letter sound, and a word with the letter in it).
- As the letters begin to come up again, encourage pupils to find words that nobody else has used yet in this game.

3. Decodable story reading – In pairs

(10 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

Standards

The pupils will be able to:

1. Connect letters with spoken words.
2. Show the teacher which letters they know well, and which they don't know well.

1. Practise ladder - Letters

(15 mins)

How to play:

Consonants

- Write the letters from the grid below on the ground. Draw the grid, and write the letters in each box. *(If that is not possible, draw it on the blackboard, and find a long stick for pupils to point to the correct box. In this case, they will point, not hop.)*

gɔη	nyε	fiε	vo
wa	fe	zi	ji
ηu	ze	lu	ya
ga	zu	je	fiεη
nyo	pa	fɔη	ηɔ

- Divide the class into two groups (at random, or by first letter of their name, etc.) and choose a group to start.
- Read the first syllable from the list below. The first pupil from the group will jump on the box that has the syllable.

- Say: Gbulisimiya tibili n-wum bachijil' sheli n ni yen boli ka yi yi chan nti tam di zuyu! Bachijilli maa n-nye: (say a syllable from the syllable list below).
- If the child is correct, give their group a point. If not, let the first pupil from the other group try. If that pupil is correct, give their group a point.
- If nobody knows it, re-teach how to read it. Write it on the board. Say each sound, then blend them together, and say the syllable. Then hop on the box for the correct syllable.
- Continue with the rest of the syllables.
- Syllable list:

ƒɔŋ, pa, zu, ji, nyo, ga, nye, fe, fie, vo, ŋɔ, fieŋ, ya, ze, je, wa, zi, gɔŋ, ŋu, lu

2. Assessment – Syllables

(15 mins)

Prepare and practice

- This assessment focuses on syllables containing the new letters that pupils learned this term. The results will help you decide what to review in the lesson.
- Prepare by arranging pupils for testing. If possible, there should be some space between pupils.
- Ask pupils to open to the lesson. They will see rows of syllables with a number at the beginning of each row.
- Let pupils know that you will tell them what row to look at. You will say a syllable. Pupils should point to the correct syllable in that row.
- Remind them to only look at their own book, not another pupil's book.
- Ask pupils to try the practice row at the top (see the row with the flower). Help them with the practice row, to be sure they understand how to respond.
- Row (flower), Syllable: **wa**

Assess pupils

- Continue calling syllables for the rest of the rows.

Marking

- For each **syllable** you call out, look at 6 pupils' responses at random. If there are two or more pupils pointing to an incorrect syllable, note down the syllable. If there are particularly difficult letters, note that too. You will review these difficult letters and syllables in the lesson.
- Below is the list of syllables to call out, by row. Remember to mark each difficult item before moving to the next one.
- Row 1, Syllable: **yo**

(10 mins)

Re-teach blending, using syllables

- Look at your list of syllables from the assessment. These are syllables that several pupils got wrong.
- Write the first one on the board.
- Reteach how to blend.

- Point to each letter slowly, say its sound, and have pupils repeat it. Then move your finger slowly under the syllable, blending the sounds together to say the whole syllable slowly. Ask pupils to repeat.
- Continue with each item from the assessment that pupils found challenging.

2. Reinforcement – Make a match, blending game

(10 mins)

Syllable matching game directions:

- In this game, pupils will demonstrate blending by standing with a sound – separately, then standing together to form a syllable.
- Pull out the alphabet cards for the letters in syllables that pupils found challenging. (If it was only one or two they found challenging, add a couple more consonants and a couple vowels to the pile.)
- Ask two pupils to come to the front of the class (or three, if you have three-letter syllables)
- Choose a syllable, and give the pupils the letters in that syllable. Ask the pupils to hold up their letter so everyone can see. Then they should stand beside each other, but a few meters apart.
- Say: N yi tiri a, nyin bolimi bachikɔbili maa vuri. Be yi zani n-tabili taba, nyin bolimi bachijil' muni maa!
- Ask the pupils to slowly move to the middle, keeping their letters so the whole class can see. Point to each pupil a couple times (starting with the first letter in the syllable), as the whole class says the sound.
- When they are together, put your hands over both pupils at once (so the class knows they are now standing together). Have whole class say the whole syllable.
- If pupils struggle on the first try, do the same syllable again, encouraging them for correct responses.
- Once the entire class does the first syllable correctly, continue with the next syllable.

3. Decodable story reading – In pairs

2. Decodable story reading – Independent

(7 mins)

Pupils read aloud in the book independently

- Ask pupils to read the decodable story independently. Do NOT read it aloud for them. They should whisper read (read quietly), putting their finger under each word as they read it. If pupils finish reading early, they can read the story again with a partner.
- Walk around the classroom while pupils read. Help pupils use the skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

3. Comprehension – After reading

(13 mins)

Ask comprehension questions

- Call on a pupil randomly to answer the following question:
Question 1: Soombihi ala ka piɛgriba maa daa lee gbahi? (ANSWER: Soombihi ayi.)
Question 2: Bɔ zuɣu ka soombihi ayi maa daa bi tiligi?
- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what is in the text or picture, as well as their own experiences, to reflect on what may have given them that idea.

What's your opinion?

- Say: Di ni ku lari ni nira tēhi zaŋ kpa ti ni di yēn niŋ binsheli ti yi di nyē salinli maa ni niriba. Ti ni tooi lahi tēhiri ti ni yēn zani bē zaani ka di be ti shēm. Cheliya ka ti tēhi di zuyu pumpɔŋɔ. N yēn bōhila bōhigu. Di pa taali di yi niŋ ka a labisibu be di ko ka che a kpee dini.

2. Practice writing or drawing, and making a text-to-self connection.

1. Decodable story reading - In pairs

(10 mins)

- Ask pupils to read the decodable story again, in pairs. Encourage pupils to help each other read challenging words.
- Walk around the room while pupils read. Encourage pupils to use skills they have learnt to read words. They should blend sounds to read syllables, and blend syllables to read words.

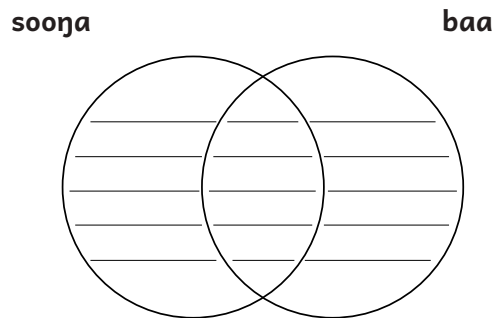

2. Review – Comprehension, descriptive words

(10 mins)

Descriptive words

- Say: Ti yi yuli ti zileli ni, ti ni nya ka binshɛna ŋmani taba ka binshɛna bē kɔŋkɔba.
- Call 2 pupils to the front of the class. Guide pupils to describe what they see is the same and what they see is different between them.

- Draw a Venn Diagram on the board:

woliginsim

zayiyinsi

woliginsim

- Encourage pupils to compare how they are the same and how they are different by describing the physical looks, how they behave, what they eat, where they live, etc.
- Write the pupils' contributions in the circle. Use the outer parts for what is specific, and the write what is the same in the intersection.
- Remind pupils that the Venn Diagram helps to organize information visually so they are able to see the similarities and differences between.

3. Writing – Assessing sentence features

(10 mins)

Pupils add in capitals, periods and commas

- Write the following short story on the board. It should look exactly like the one below – with missing capitals, periods and commas.

jan̄kuno nya sabili o puɣisiri sabili o bɔri ni o zaŋ o nubi sabili banya ka vaai guui

- Ask pupils to copy it, but as they write, they should fix it. They should add in the capitals, periods and commas.
- Walk around and check to see whether pupils have learned how to capitalize, add periods and use commas correctly. Do not correct, but mark what needs more work. If the class finds any of these difficult, look for an opportunity to reinforce them before the end the term.
- Corrected short story (to support monitoring):

Jan̄kuno nya sabili, o puɣisiri sabili. O bɔri ni o zaŋ o nubi. Sabili banya ka vaai guui.

- Write the first two lines of the pupil book story for the dialogue, with the character names. The first two lines are:
 Danaa: Sɔhila sa nyela buyim tɔbu.
 Zenabu: Yelimaŋli, di sa mali jiri pam.
- Point to each character name.

- Ask pupils to open their books. Ask them to find the same lines in their book, and point to the first two character names. Walk around to be sure the pupils are following along.

3. Story introduction

(5 mins)

Briefly introduce the story

- Read the following introduction to the story.
- Say: Danaa mini Zenabu ni sa to buyim shɛm lahibali.

4. Teacher reads the dialogue (with Curriculum Lead or teaching assistant, if possible)

(10 mins)

Teacher reads while pupils follow along

- Read the dialogue slowly, and with emotion. Ask pupils to follow along with their fingers.
- *Reminder* - do not read the character name. Only read what the characters are saying. If possible, ask the Curriculum Lead or a teaching assistant to read the part of one of the characters. If not, try to use different voices for different characters.

5. Decodable story reading – In pairs

(10 mins)

Pupils read in pairs

- Ask pupils to read the decodable story in pairs. Encourage pupils to help each other read challenging words. If they are ready, they can each try to read the part of one character, but they will also have time to try.
- Remind the class not to read the names of the characters aloud.

1. Special instructions

Instructions to teachers

- ASER is an assessment of pupils’ progress in reading skills over the school year. Conducting ASER is a part of this program. It gives you, the teacher, the ability to track how your pupils are advancing, and identify pupils who need extra help in reading.

Instructions to teachers

- ASER is an assessment of pupils’ progress in reading skills over the school year. Conducting ASER is a part of this program. It gives you, the teacher, the ability to track how your pupils are advancing, and identify pupils who need extra help in reading.

- Lesson 141 to 150 are short. They contain a new story each day for pupils to read, and the Syllable Race game to play. Pupils will do the same two activities each day during the Lessons. This is meant to do a couple of things:
 1. Free teachers' time to conduct ASER. Student-directed activities should make it easier for teachers to have someone else with their classroom (such as the Curriculum Lead, Head Teacher, assistant teacher, or a trusted parent volunteer), so the teacher can use this time (during each lesson) to assess pupils using ASER.
 2. Support pupils' reading fluency. The more pupils read, the more fluent and confident readers they become. The "Syllable Race" game, below (to be played each day), supports syllable counting and word reading.
- Lessons 141 to 150 are based on the stories in the lessons, and require a teacher, or other educator, to lead the instruction.

Orientation of pupils (and the person who will stay with the pupils)

- *Please take time to orient the pupils, and the person staying with the pupils, on what they are meant to do. Also, please take a moment to explain the game to pupils. They will do the same activities each day, but using the new story and Syllable Race game for that Lesson.*
- *Write today's Lesson # on the board. Be sure they have the materials they need.*
- *In this lesson...*
 1. Pupils will read the story alone.
 2. After reading it alone, they will find a pair and re-read the story.
 3. With the time remaining after reading, pupils will play the Syllable Race game.

2. Decodable story reading – Independent & in pairs

(15 mins)

Pupils read aloud in the book independently

- Pupils should be given time to read the story independently. They should whisper read (read quietly), putting their finger under each word as they read it.

Pupils read in pairs

- Pupils should then read the decodable story in pairs. They may find a person to pair with after reading alone.

3. Syllable race (game) – Complete instructions

(15 mins)

Pupils play the Syllable Race game

Syllable Race (game) Instructions

Materials:

- Pupil Lesson page with game board and word grid.
- Game piece. Each child brings in (or find in the schoolyard) a small thing, like a bottle cap or small stone, to use as a game piece [**diema bini**]. They will move it around the game board [**diema polo**].
- *Note: pupils should keep their game piece, and have it ready to use each day this week.*

Preparations:

- Teacher, or person with the pupils, places them in groups of 4.
- Within the group of four (4), the pupils each find a partner, to form a team [tiim]. So, each group is made of two (2) teams [tiimnima] of two (2) pupils. If there are remaining pupils once groups are formed, they should be added to teams [tiimnima], so some teams [tiimnima] will have three (3) pupils instead of two (2) pupils.
- Each team of two pupils selects one (1) game piece [diema bini] to use. Each team opens one (1) pupil book to the page with the game board for this lesson.

How to play:

- The pupil who has the most letters in their first name starts.
- The pupil drops a pebble on the grid of words (in the pupil book) from about 15 centimeters up. If it doesn't fall on the word grid, or falls in the middle of a grid line, keep trying until it falls inside a box.
- Once the pebble falls on a box with a word in it: Pupils,
 1. Clap the syllables in that word,
 2. Count the number of syllables,
 3. Confirm with the group that is the correct number of syllables, and
 4. Move forward that number of spaces on the game board.
- Then a player from the other team plays (drops the pebble, and does steps 1-4 above).
- Teams should continue to take turns, allowing each player in the group to try. Partners on a team should be encouraged to help each other.
- The team that reaches the end first, wins! All players in the group shine for that team.
- Then the game can be played again, in the time remaining for the lesson.

3. Make a connection between a story and personal experience.
4. Use drawing and writing to respond to a story.

1. Story review

(5 mins)

Read the story aloud for pupils

- Ask pupils to open their book to the story for this lesson.
- Read the story aloud, while pupils listen. Ask pupils to follow along, tracking with their finger.

2. Comprehension – Making connections

(15 mins)

Ask comprehension questions

- Read the following question, one at a time:

Question 1: Ŋuni n-daa nyihi Puulana ni Maliga zurimi pɔhiri o naanzua maa? (ANSWER: Viɣu)

Question 2: Daliri dini zuɣu ka maliga daa lee zuri pɔhiri naanzua maa?

Question 3: A tɛha puuni zubu nyɛla din viɛla?

- After each question, call on a pupil randomly to share their answer to the question. Discuss their answers with the class. Help the pupils think about what is in the text or picture, as well as their own experiences, to reflect on their answers.

Retell

- Ask for a volunteer pupil to say what happened in the story.
- Remind pupils to say where the story happened, who was in it, and what happened.
- Encourage the pupil to use their own words. Pupils should not read directly from the story.

3. Writing – Story response

(10 mins)

Pupils write or draw a response to the story

- Ask pupils to take out their exercise books.
- Ask pupils to draw or write about the text-to-self connection they made to the story.

Annex I: Techniques for Teaching *Learning* Lessons

I do | We do | You do

This is a process to slowly shift from the teacher demonstrating a new skill or concept, to the pupil doing it on their own.

- **I DO:** The teacher models or demonstrates, and explains what they are doing.
- **WE DO:** The teacher and pupils practice the skill or task together, once or several times.
- **YOU DO:** Pupils try it alone, with many opportunities to practice with the same and new material.

Turn and Talk

Using this technique, a teacher would give pupils a task, then ask them to turn and talk to another pupil sitting next to them. Usually, pupils must do this quickly, then turn back to the teacher.

Using this teaching technique, teachers can get all the pupils in the class to actively think about and discuss the response to a question, or practice a skill. For example, if asking a comprehension question, the teacher has all pupils turn and talk quickly with the person next to them about their response to the question. By doing this, all the pupils are expected to pay attention, to think about what is being asked, and to be ready with a response. Also, it provides a way to do continuous assessment – to assess, just walk around and listen to what the pupils are saying or doing. Finally, pupils who don't speak the Ghanaian Language of Instruction can use this time to think and talk in their language, before giving a response in the Language of Instruction. Note: You must be ready to let your room get a little noisy, and be sure to have a consistent signal for pupils to start and stop the Turn and Talk activity so you can use it quickly and then move on with the lesson.

Calling on pupils “at random”

Calling on pupils at random, instead of calling on pupils to volunteer, accomplishes two things. First, it helps pupils understand that they should always be ready to share their thoughts. They should be actively listening to the teacher all the time, and thinking about the activities and discussions. Second, it gives the teacher insight into what pupils are understanding and why they may not be interested in responding. By including both the brightest pupils and pupils who need more explanation or demonstration to understand the lesson, helps the teacher reach all pupils.

Whole class response

Activities that call for the whole class to respond in unison are a way for the teacher to monitor who has understood, and who has not understood. It helps the teacher know which pupils need more support and gives the teacher a chance to pause the lesson and give feedback to individuals or groups of pupils who are not following along. For whole class response to be effective, pupils must respond all together, immediately. For example, if they are to put up two fingers to say “yes” and one to say “no”, then they must do this as soon as the teacher signals (gives them a cue) for them to respond. Note that pupils may need a bit of time to think before responding, so the teacher may wait before giving the signal. But if some pupils are permitted to respond before others, the slower pupils may simply copy the classmates who respond first. So be sure to give them a signal, and encourage them to respond right away!

In this document, the meaning of L1 is the language the child speaks most comfortably, and the L2 refers to any language that is not their L1. Because the Learning Early Grade Reading Program is focused on teaching reading and writing, these techniques are mainly for teachers who are in a situation where they have a few, or many, pupils whose L1 is not the official Ghanaian Language of Instruction of the school they are in. So, these pupils are learning to read and write in their L2 (a Ghanaian language, but a less familiar one). However, these techniques could also be applied to learning to read in another L2, such as English.

1. Create links to personal experience and background knowledge

Why? L2 learners benefit from understanding the context of new materials. Relating the new material to their experiences and background knowledge provides meaningful context.

How? When introducing a topic, ask pupils what they know about it. Have they ever seen, used, or done this thing? When? Turn and talk works well for this type of strategy. Pupils can first think about what they already know, then turn to a partner to talk about it. After that, a few pupils can share with the whole class.

2. Encourage pupils to use their home language (L1)

Why? Using the more familiar language (L1) to learn a less familiar language (L2) can help pupils clarify their understandings of classroom conversation and text, confirm and expand their understanding of the content, prepare to carry out a task in the L2, and talk about how their language works. It can also save time by allowing for the occasional quick translation, rather than undergoing a long attempt at explanation in the L2. Additionally, it can give pupils a sense of security when much of what is happening in the classroom is new.

How? Using L1 in the classroom needs to be done carefully with intentional planning. Regular code switching (changing back and forth) from L2 to L1 without a planned strategy may result in linguistic confusion. To avoid confusion and save time when explaining new vocabulary, systematically ask pupils as part of the instructional routine, “How would you say this in your language?” Likewise, after reading a story, ask pupils to retell the story in their own language. A rule of thumb for deciding on the use of L1 is to consider if the pupils’ understanding of the content is important or how to express a message in the L2. For example, when pupils share their prior experience with a new word or concept, using L1 can be helpful because what is important is to connect to their experiences, not how to express that in the L2. Similarly, when pupils are preparing a partner or group task, they may be invited to use the L1 but reminded that the ultimate product (such as a verbal or written response) should be in the L2. This encourages deeper thinking about the topic and allows for discussion in the L1 about the L2 as pupils prepare their work.

3. Practice and play with the sounds of the target language

Why? After vocabulary, phonological awareness is one of the most important skills for L2 readers to develop. Even if sounds are similar in the L1 and L2, pupils who are new to the L2 will need to develop their capacity to hear those same sounds in a new linguistic context. The first skills to develop are more general phonological awareness skills, such as identifying individual words in a spoken sentence and identifying rhyme. Finer skills such as identifying syllables and phonemes (individual sounds) and being able to substitute or delete syllables or phonemes are developed later.

How? Teachers can make a habit of integrating some phonological awareness work into lesson plans whenever they are introducing new words and phrases, and returning to phonological awareness work if pupils are struggling to read certain passages or spell certain words. Techniques include representing spoken words with pebbles or bottle caps, clapping the syllables in a new vocabulary word, and finding words pupils already know that rhyme or contain a similar sound to a new word.

4. Enhance meaning with pictures, objects, and actions

Why? L2 learners need to interact with a new word or idea many times and in many ways to fully learn the meaning. Using pictures, objects, and actions can help provide visual, tactile, and kinesthetic reinforcement to any verbal explanation that may be given for a new word.

How? It does not matter if you do not have fancy, prepared flash cards and posters. Teachers can draw simple stick figures and line drawings on the board (or ask pupils to do it). The teacher and the pupils can use actions to demonstrate individual words and concepts, or can use role play to dramatize stories they have read. Many everyday objects are portable enough for teachers to bring to school to use for demonstrations (e.g., dishes, clothing, cooking tools, parts of plants, etc.). Keep clippings of images from newspapers and magazines as small treasures to share and discuss on the right occasion. Parents' committees can also help collect empty containers that can be used in class for demonstration and vocabulary practice (e.g., old containers for different foods and drinks, empty medicine packets, labels of various products, etc.).

5. Give pupils time to process and test out ideas, either by speaking in their first or in their new language, with a partner or small group

Why? In an L2 classroom, it is important to have learners feel secure so that they can take risks and participate fully. They will feel more secure if they have time to practice using their L2 and answering the question before having to say it in front of the whole class. While this cannot be used for every question in every class, it is important to remember to do this several times each lesson so that the pupils who tend to take longer to prepare an answer and who do not frequently raise their hands have more opportunity to participate in a non-threatening way.

How? Pupils may be asked to jot down their idea on a slate or in their notebooks, or to think quietly and then participate in a turn and talk. Another way to encourage participation from even the quietest pupils is to ask a whole-class question that has two or more possible answers and all pupils answer at once. For example, a teacher might say, "In the story today, would you describe the main character as brave or foolish? Raise your fist if you think she was brave and raise one finger if you think she was foolish."
